Dear Friend:

A few weeks ago I sent you a seed corn and field corn questionnaire. If you have sent this survey in, I thank you very much for your help. If not, and maybe you misplaced this questionnaire, I have enclosed another.

When you have completed this survey, please return the form to me as soon as possible in the envelope provided.

Your help in providing information for this survey is deeply appreciated.

Sincerely,

George L. Smith
George L. Smith, Editor

P.S. The reason you may have received this survey, even though you do not raise corn, is because we are making an over-all state survey.
