Dear Member/Subscriber:

January first is fastly approaching and we look forward to a prosperous new year. This year is slated to be the most important and active since our beginning. It is the year that the proposed Nicodemus Bill will be introduced to Congress for designating Nicodemus as a National Historic Site. We will need all your support.

Your 1993 Dues are due now and will be the first way to assist us and provide us with your support. Please return the bottom portion with a check or money order for your 1993 dues.

Prompt payment allows us to operate more effectively throughout the coming year and will cover the expense of providing you with copies of the quarterly Nicodemus News Review.

RE: Membership & Annual Dues

Dear Past & Present Members:

After a recent visit with Angela, she shared a great deal of optimistic hope for the future of Nicodemus. Even though the majority of us have gone our ways, the wheels to keep Nicodemus alive are still rolling. I was surprised and pleased with the results of her trip to Washington D.C. It is hopeful that in the near future funding and support for our Historical Sight is just a matter of time.

However, on the other hand It was surprising and disappointing to learn that the Historical Society's dues were being over looked. For the sake of our heritage and home we ask for your help and encourage you to continue making your TAX deductible contribution, by renewing dues or establishing a new memeberhip with the Nicodemus Historical Society.

In preparing a brief annual financial report we found the need to express the importance of your yearly dues. These dues and the monthly cost of the News Review (newsletter) are appled to the expenditures of printing and mailing out the newsletters and minimal purchase of office supply, virtually nothing more.

All of us understands we're living within a higher economic situation. Because of this we anticipate your understanding why a few minor adjustments are necessary in order for us to keep focused on our goals. One such adjustment involves the Newsletter. May 1991, marked the third year for the Society's newsletter, unfortunately, December of this year will bring the monthly issues to an end.

Therefore, we would like to ask for your HELP and SUPPORT and SMALL and I repeat, TAX deductible fee of just $15.00 which covers your annual dues as a N.H.S. Member. This annual fee breaks down to only $1.25 per month and will entitle many advantages to receiving the New Quarterly issues of the N.H.S. News Review, starting January--March 1992.

In hopes of having our request acknowledged by those who have an interest as we do in Nicodemus's future, we have enclosed an application for membership to the N.H.S. If there are any further questions are request or suggestions please know that they are welcomed.

In closing, I would like to thank all interested parties in advance for their continued loyalty, corporation and support.

With Best Regards,

Earlice Switzer Rupp, (Acting, V-P)

KENTUCKY - On the trip back to D.C. they will also be stopping in Lexington, Frankfort, and Georgetown, Kentucky where most of the people who settled in Nicodemus came from. Initial contacts will be made with the historical society for future visits and research efforts.

YOUR SUPPORT - We are asking your support in getting the word out to friends and relatives about the historic site efforts. If Nicodemus becomes a National Historic Site it will be the most historically significant Afro-American site west of the Mississippi, and is the only all black town that examplifies the black frontier experience. All people need to know this. Support us also by purchasing lapel pins with our new logo and commemorative plates (forthcoming). This will help us to continue to pay for our efforts to promote Nicodemus as a national historic site.

DUES - Due to the increase in postage and printing cost we are not adequately covering the cost to produce the newsletter. We are therefore increasing DUES to $15.00. As of September 1, 1991 anyone withoutstanding dues for 1991 or any previous year will have to pay the increased amount. We hope that the increase in Dues will be paid promptly. We need your dues in order to continue to provide you with the newsletter. Your speedy reply

September 20, 1991

Dear Angela:

I apologize for this payment of dues being so late. It took me this long to save up the money from my very tight budget. I understand that the dues for this year (1992) have increased to $15.00. I will try to be on time for that payment.

Could you please keep me informed on the newspaper articles, magazine articles, and /television and video news regarding Nicodemus, Kansas. I have been looking for articles since Homecoming 1991, but have only found a few in the Wichita Eagle Newspaper. I understand that there have been many more.

Also, the news reports that I have secured only mention you and your family, nothing is said of any of us-as pioneers also from Nicodemus. Is there anything on any of the other many many families of Nicodemus.

Anxious to here from you soon. Take care and May God Bless Our Efforts,

Sincerely,

Loretta F. Buckner

Hello Angela,

How are you? I am fine a little lonesome for my family, I think they are leaving tomorrow morning. I sure hated to miss homecoming this year, I had a class to take and working part time.

I heard everyone had fun, I've been trying to clean up my house good before they get back. I ran across the Nicodemus news letter dated January 92, and I realized I had'nt paid my dues, I thought I was going to homecoming and would pay it. I'll try to send it at the beganning of the year like everyone els.

Marilyn tell's me you look so happy, and are planning a wedding congratulations, the best of happiness to you both.

Do you still have copies of last years homecoming? I'd like to order one, please let me know.

Dear Ms. Bates -

Should have addressed you by your first name! Thanks for your sweet letter and all the information. I'm sending you a doll sweater set which I make for a local doll shop. If you have no secondhand store, please use it as you see fit. It is made for Cabbage Patch dolls, but some people buy them for Teddy Bears. It is washable & dryable.

Most women like to keep busy with their hands. Perhaps you could start a shop for handiwork in someone's home to raise money for your efforts. I would gladly send a few doll sets every year.

If you have any men in your group who do woodwork perhaps they would make toys for the shop. You could get a gazebo and some wooden bridges to dress up the town. Perhaps use a horse & buggy to take folks around the area. Since the whole country is in such a mess the coming thing is nostalgia, remembering the good old days. A good name for

a shop would be Nostalgia Nook of Nicodemus.

Birdhouses are very popular items and easy to make. The "Reminisce" magazine even has contests for the best birdhouses.

If I were black I'd certainly try to live in your town long enough to help out. As it is, I'm homesick for Maine where I grew up. If the Lord is ever willing, I'll get back there.

Good luck & God bless.

Bev Walton

P.S. Please let me know if a few doll sets every year would help.

Dear Angela,

4-28-93
Santa Fe

Thanks for keeping us on the list, even though payment is tardy! Its been a rough year financially and this is really the first I could send the dues.

Weive been enjoying very much the news from Dennis - you've all done a great job & the film + trip to Kentucky, T.V. shows, etc. are really interesting.

How's your family? Our son Cian just turned 3, and Caitlan will be 5 in July. Will always remember our wonderful stay at your parents' - please tell them Hello. You are all always welcome to visit us here! Its a great place to stop on those long trips to California!

Im moving along towards my degree - slowly but surely. No more coursework, but private reading with professors' guidance. Carroll is very busy with the schools as always. We'll be in Kansas the end of next month, may swing north on way home + say hi! Hello to Vergil Switzer as well. I'll call if coming, otherwise, lets talk on the phone soon! I'd like to stay in touch.

Dear Ms. Bates,

Enclosed is a contribution to help keep the Nicodemus Project alive.

I have known that Nicodemus existed west of Stockton for many years since Stockton was my mother's home town. I subscribe to the Stockton Sentinel.

I hope the Project is successful, as I hope for all progressive action for Black people.

Sincerely
Charles Wenne

Christmas 1991

Seasons Greetings,

Anita Barns and the Nichodemus Historical Society,

Christmas season, more than any time of the year gives all of us an opportunity to reach out and share a little good will. It's especially satisfying when we extend ourselves into other societies across some boundries and become familiar with other lifestyles.

When I read in the newspapers and magazines about the conditions of the inner cities, I can't help but become sad and depressed. The situations seems so complex, tangled, and deep, that people in their relationships have found difficult to change.

I feel that you have hit on a secret to success for a number of your people. We both live in the Kansas countryside and in it there is space to grow mentally and spiritually, a chance to get out and see the limitless sky. It's an opportunity to get away from violent influences and restore some healing that needs to be done. Also here surely we do not have the hard-core prejudice, though I'm sure we've had a part in it.

Anyway, this is my attempt to relate to you in a positive way, being open to building some bridges of trust and friendship. I enjoyed visiting your Homecoming Celebration, the style show, the picnic, and the other activities. If Nichodemus becomes a national historical site you'll have lots of other visitors too. Good Luck to you! Hope to see you again next year.

Merry Christmas

Dear Verdell:

I received your letter and suggestion with regards to recording the history for a book. I have been writing a book on the history of Nicodemus for several years now, and have been interviewing folks as often as I can. Your concept for collecting information on the family is great. I think I will make a form up and send it out to folks so that they can provide their family histories as they remember it.

This is a very laborous process, but needs to be done.

I appreciate your suggestion..

Dec. 19, 1992

Dear Angela and friends,

Merry Christmas and a happy New Year!
I hope it's a successful one for the Historical Society. Please send information on the Nicodemus Bill when it's introduced, so we can write our congresspeople — especially us out-of-staters!
Speaking of which, I have a new address, and it is:

Lynn Jeffries
1589 Altivo Way
Los Angeles, CA 90026

Best wishes,

lynn
