NOTES

*Usually print 250 copies for distribution. Current mailing list is 240. 10 Copies go into Archives. Printer always has over runs of at least 10-20. We use extra copies to send out with educational packets, complementary copies and for possible new members.

*The July issue we print at least 500-700 copies for distribution at Homecoming.

*July is the only time we solicit ads. We did this to offset expense of printing and generate extra funds for the newsletter.

* We encourage other Nicodemus community organizations to provide us with news.

*Last year did not solicit ads, because organizations that had been solicited previously were being solicited by the Homecoming committee and decided not to conflict with them and or go back to same organizations for additional dollars. JohnElla agreed to pay \$150.00 to NHS for printing additional pages in newsletter and printing additional copies.
