SOCIAL SECURITY EMPLOYEE

How you can tell whether you must pay social security taxes on wages you pay to people employed in your private household.

L covers most household employees. A man or woman who qualifies under the law gets: Monthly payments for himself and his dependents when he reaches retirement

Monthly payments for himself and his dependents if, because of disability, he

is no longer able to work. Monthly payments for his family if he

by social security if they receive from are covered regardless of the amount an employer cash wages of \$50 or more of their earnings. Household workers in a calendar quarter for household on farms operated for profit are also work performed in or about the em- covered but under different conditions. ployer's private home.

benefits are shared equally by the Director of Internal Revenue.
