

Opportunities and Programs

Elementary Students Program

The Park hosts hundreds of elementary students from public school each spring and fall for a first-hand experience of Colorado history.

Summer Living History Program

Four Mile's week-long summer day camp gives children aged 6 to 11 a hands-on experience of life at the turn of the century for three hours each morning.

Summer Tours for Children

From June through August, Four Mile has a unique outdoor program for preschools and day care centers who can bring groups of 20-40 children out for a 1-2 hour field trip. Call for reservations.

Hold Your Event at Four Mile

The Park is an ideal setting for private parties, weddings, reunions, and company picnics.

Birthday Parties

We invite you to celebrate your child's birthday with an old fashioned frontier party at Four Mile Historic Park from June through September. The parties are scheduled on the weekend and are for children aged 6-11.

Weddings

In the tradition of Levi Booth, longstanding Justice of the Peace in this area, Four Mile continues to host weddings outside in the Grove behind the Museum from June through September. The Park can even provide the judge to perform the wedding.

The Season

Open April thru
September
10 a.m. to 4 p.m.
Wed. thru Sun.

Four Mile Historic Park

Taste the pioneer life of the plains on a 14-acre farm just four miles from the heart of downtown. Visit the oldest house in Denver and hear costumed guides tell historic tales about Four Mile — the 1860s stagestop, tavern and wayside inn on the Cherokee Trail.
