

## **W**ant to help?

Here are ways you can help build the rich railroad history of western Kansas:

### **Union Pacific Gift Shop**

Items relating to the railroad are for sale in the museum gift shop. Stop by, browse and buy yourself, a loved one or friend a unique gift of railroad memorabilia. Something in every price range.

### **Railroad Items Always Accepted**

If you have a railroad artifact, photograph or item you'd like to donate for display at the museum, please call the number below. In addition you may loan your items if you wish.

### **Donations Needed**

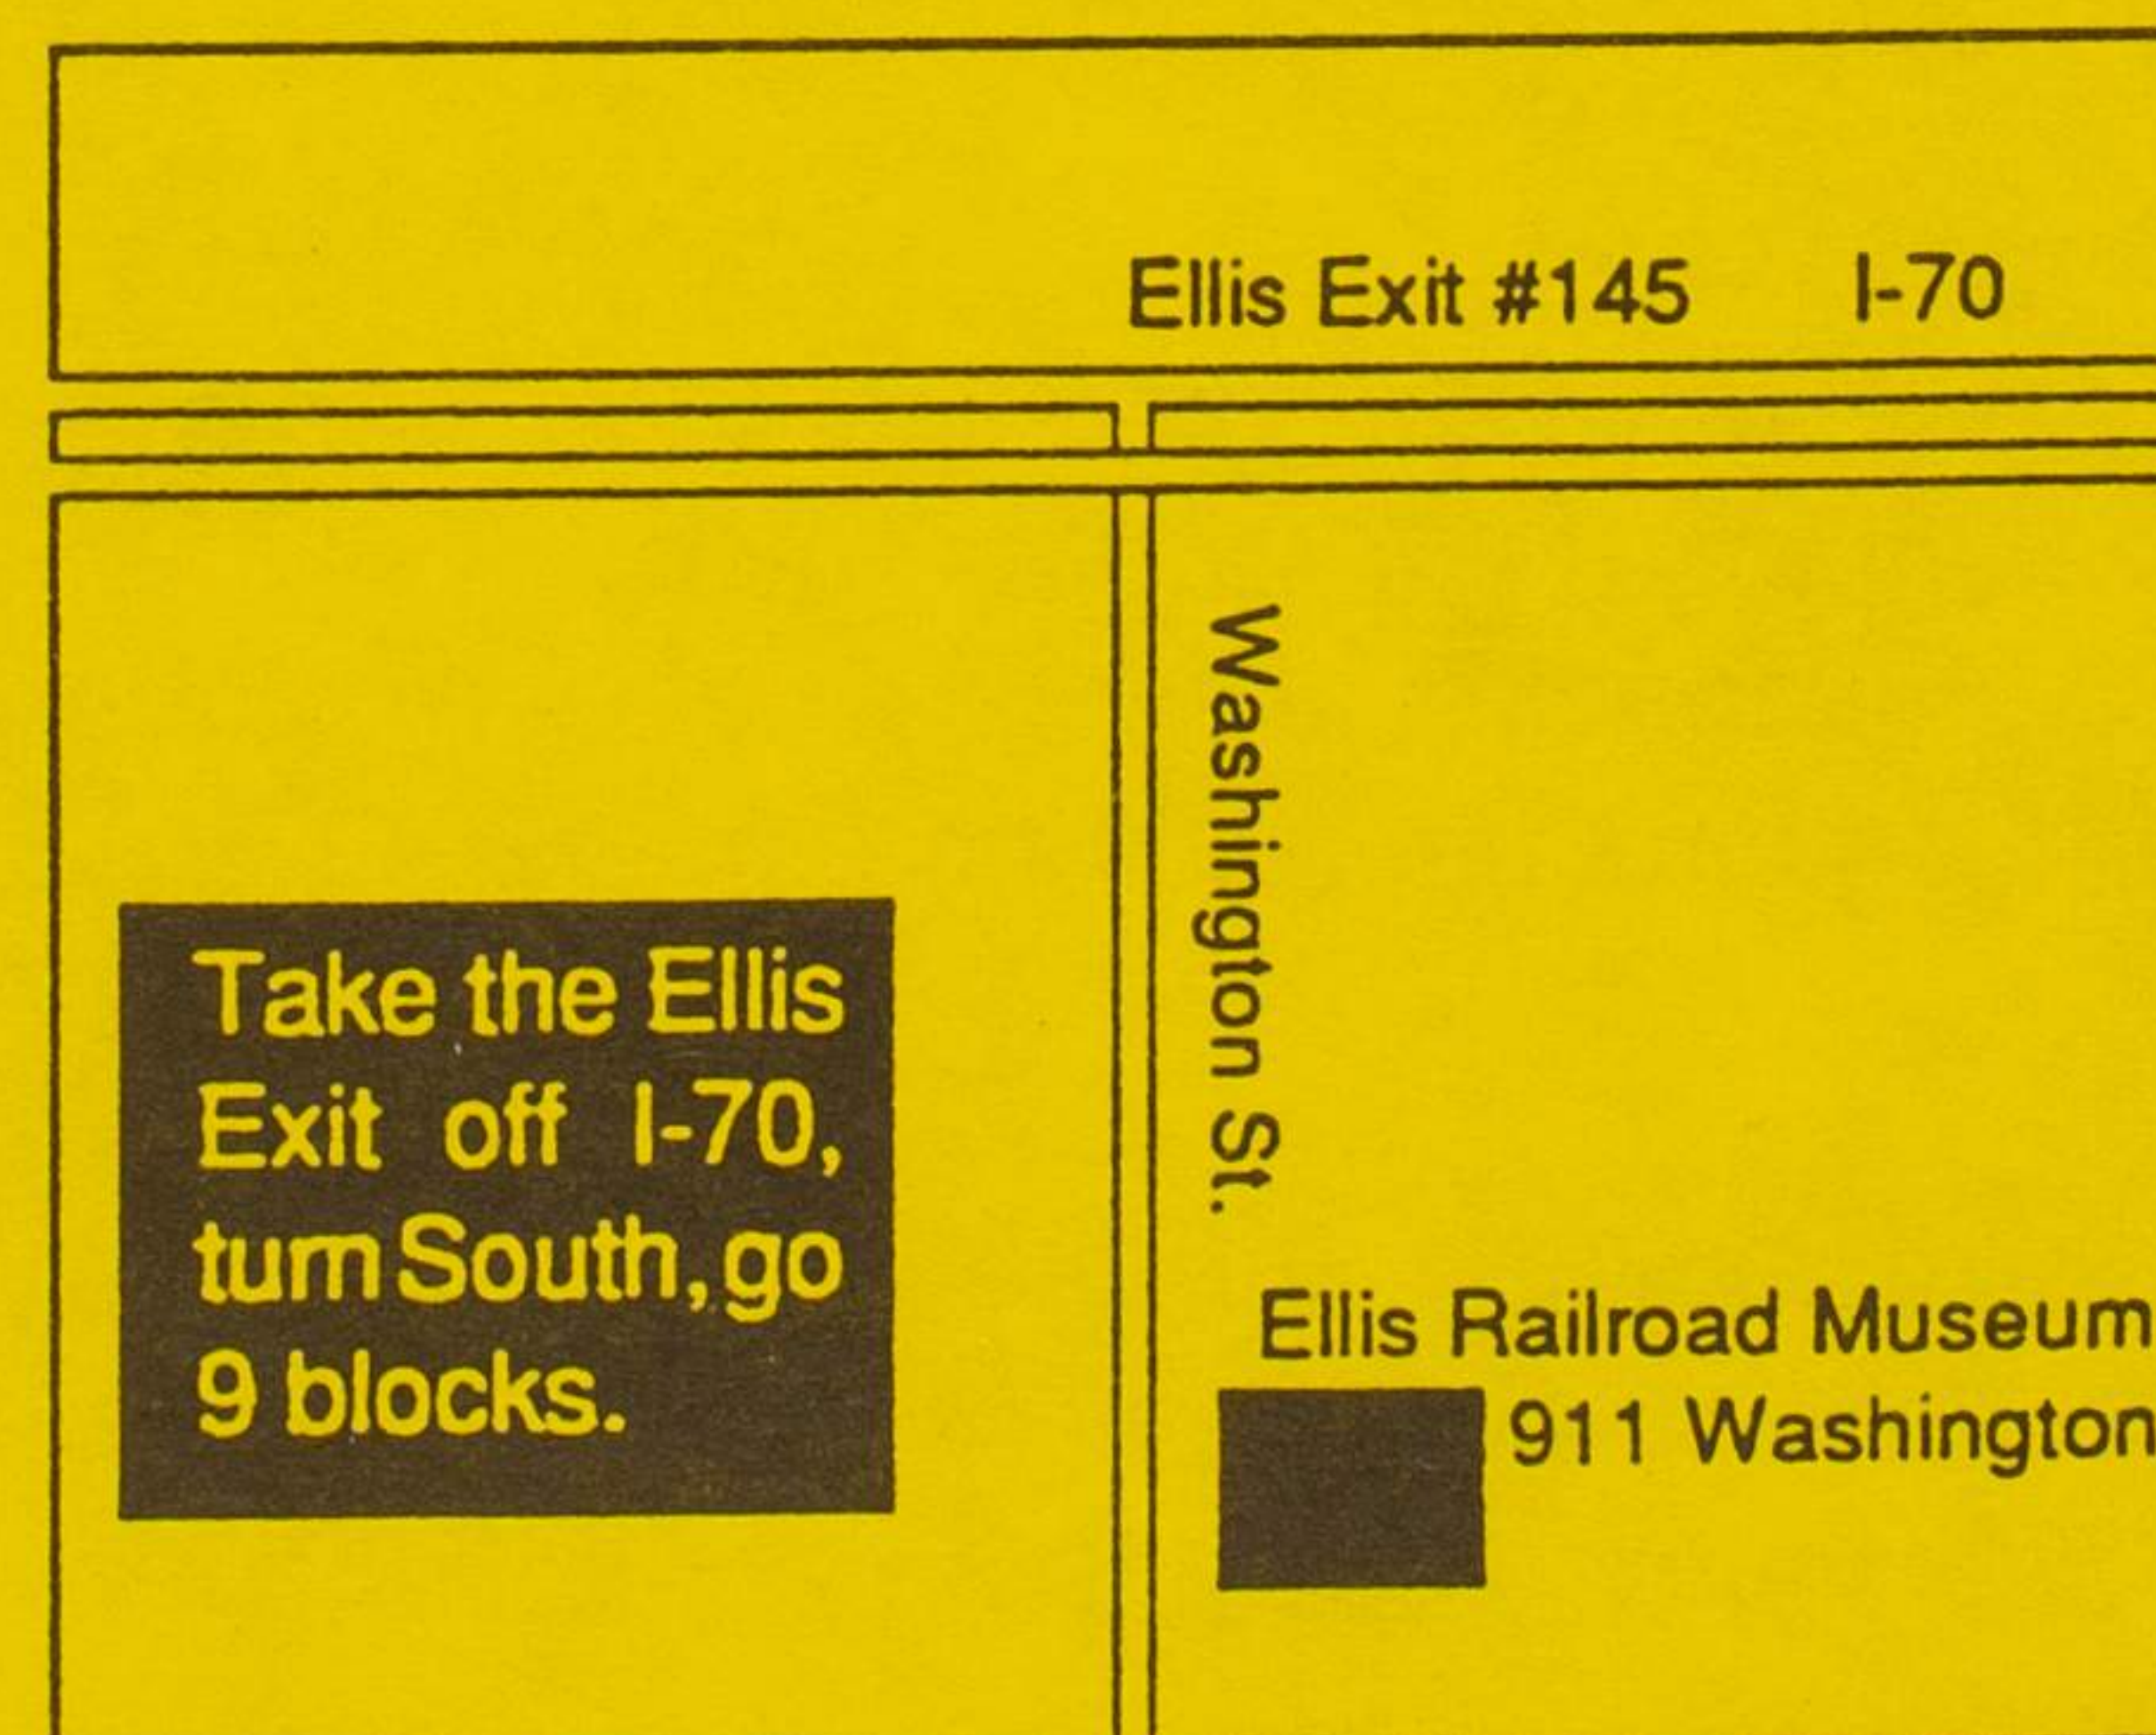

Funds are needed for displays, restoring the depot and making the museum handicapped accessible. Your donations can help make the museum a success and help preserve your railroad heritage in Ellis.

### **Volunteers Needed**

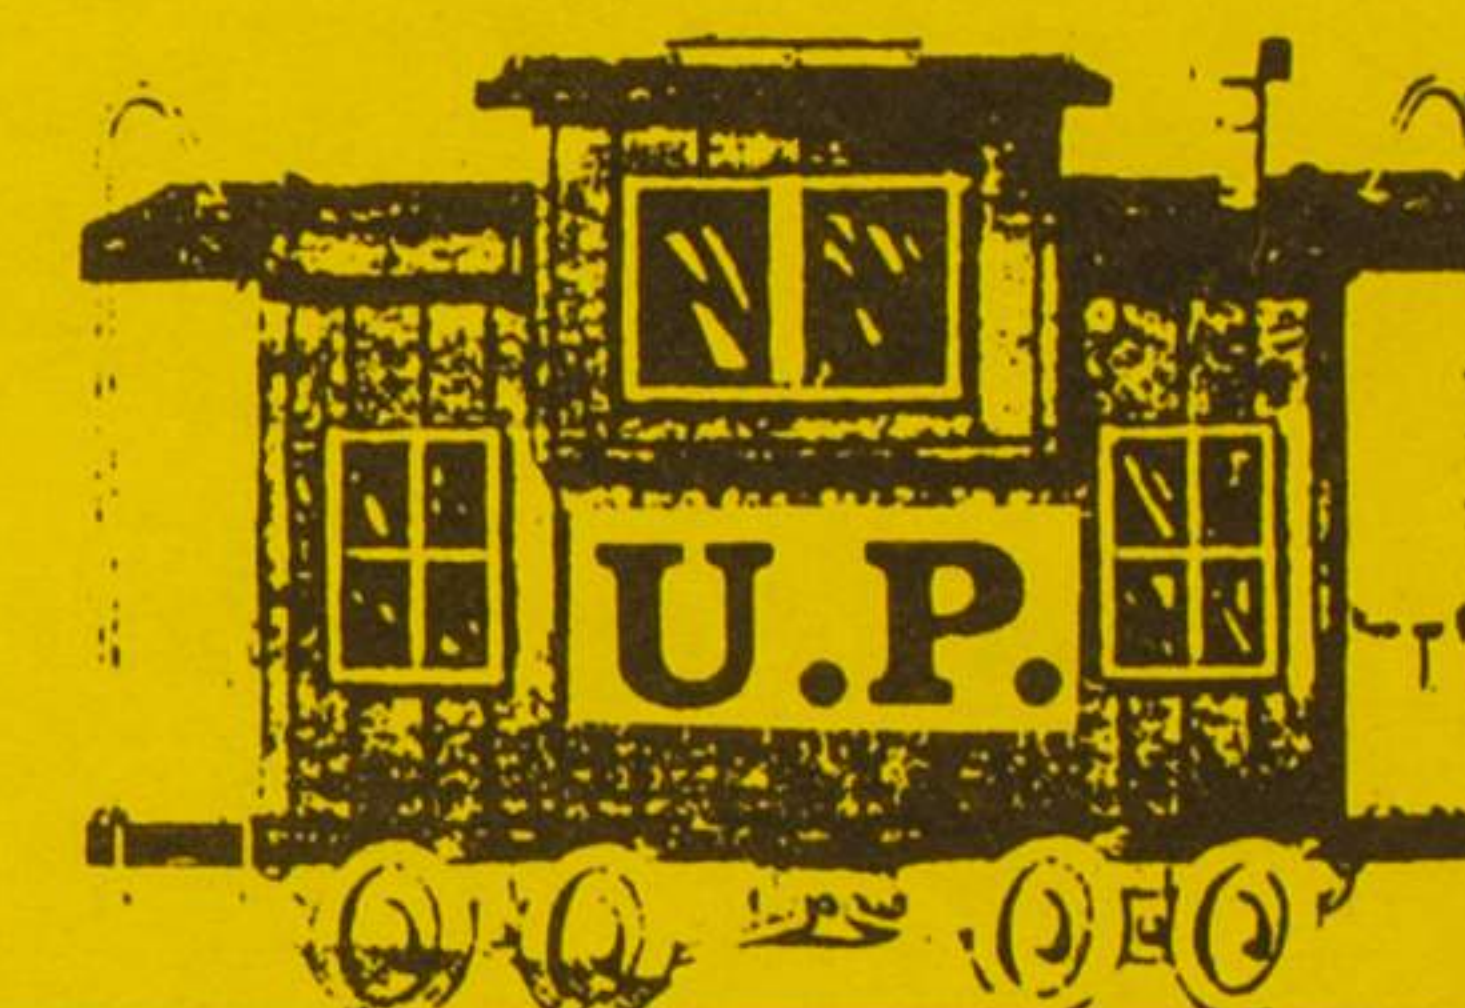

Assistance with continually growing displays is always needed. Helpers are also needed to man the museum during the hours it will be open. If you live in the Ellis area and would like to volunteer your time for any of these projects, call the museum at 913-726-4493.

## **The Ellis Railroad Museum Is Supported By:**

- Ellis Railroad Museum Committee
- Kansas Pacific Railroad Association
- Western Kansas Division Of The National Model Railroad Association
- BK&E Miniature Train Ride
- City Of Ellis
- Memorials From Friends Of The Ellis Railroad Museum
