Dear Yvonne:

I apologize for not getting back with you after I met with you back in the spring, when Steve Katze brought me by to meet you. I have been so busy I can't keep track of myself. I know you know the feeling.

However, enclosed for your information are some articles and brochures on my efforts to get Nicodemus nominated as a national historic site and also materials on the presentations that I and my cousin, Gil Alexander provide. After reviewing the materials I would be happy to talk with you about us coming and doing a live performance on the Buffalo Soldiers (by Gil Alexander), and the history of Nicodemus thorough slides, lecture, video, and 10 20 x 16 turn of the century sepia tone photos of the women of Nicodemus.

I was contacted by a lady from the Teen Today magazine located there in Kansas City, Missouri and she mentioned the cultural center. I also received a letter from Steve Katz the other day and a copy of the article (which I have) that was in the Historic Preservation Magazine, (he mentioned he obtained from you). With those two signs, I thought I'd better write.

I hope that all is going well at the center. I am scheduled to come to Kansas City on the 16th. If I can schedule it, maybe I can come by and meet with you again. I'll try and call you around then.

Take care and hope to talk with you soon. If not, I hope have happy holidays.

Sincerely,

Angela Bates,
President
