

FRIENDS OF THE BRUCE R. WATKINS CULTURAL HERITAGE CENTER

A "dream" was fulfilled when the Bruce R. Watkins Cultural Heritage Center was dedicated in December 1989. Since then, attention has turned to establishing the center as one of the Midwest's premier cultural facilities. As the center grows, individual membership contributions will play an important role in securing its future.

We are inviting you to join in the continuance of the dream by becoming a Friend of the Bruce R. Watkins Cultural Heritage Center. Friends of the Center contributions will enable the center to promote local artists, acquire great art and major exhibits, expand educational programs, and involve our community in outreach programs. With your help, the center will achieve its mission in the Kansas City metropolitan area.

MEMBERSHIP PROGRAMS

In return for your support, we offer important membership benefits. Through the "Monthly Calendar of Events" you will be kept up to date on all center activities, including advance notice of film series, classes and musical events. Friends may also enroll themselves and their children in visual and performing arts classes at reduced rates. In the gift shop, your membership discount means reduced prices on the purchase of beautiful prints, posters, note cards and souvenirs.

Joining the Friends of the Bruce R. Watkins Cultural Heritage Center means taking the challenge to ensure that the quality traditions of our past take their rightful role in our future.
