III. In order to enable the greatest number of applicants to participate in the conference, most scholarships will cover only partial expenses associated with attending the conference. Applicants should seek additional financial assistance from other sources, as complete scholarships will be awarded only in unusual situations.	
The cost of attending the conference will vary depending on travel at and \$1200. Please indicate which costs you would be able to cover	nd rooming arrangements but is estimated to be between \$800, either yourself or with assistance from other sources:
transportation (will vary):	
lodging (estimated \$325):	
registration (\$160/student \$50):	
daily expenses (\$34/day):	
List other sources of funding you could explore to supplement an aw preservation organizations or historical societies, churches, other civic academic department or school if you are a student.	ard from the National Trust. Consider contacting local or state groups or organizations with whom you work, and your
