

VII. In 100 words or less, tell us how you will use the experience of attending the conference to benefit your community or school. Use examples: are there specific goals you want to help your neighborhood to meet, community or academic programs you wish to expand, local or even state issues to which you hope to contribute?

The first of these is the fact that the conference is a unique opportunity for us to meet and learn from other people who are working in the field of historic preservation.

List other activities or events you plan to attend at the conference or in the area. Include the name of the activity, the location, and the date. If you are attending a session, please indicate the topic and the speaker.

IV. A primary goal of the conference is to increase the effectiveness of historic preservation organizations. This goal will be achieved by providing participants with the opportunity to share their experiences and to learn from each other. In completing this section, please describe the goals and objectives of your organization and how you plan to use the conference to achieve them.
