Dear friends -

I sincerely regret I will be unable to attend the reception in honor of Nicodemus Pioneer Saturday Oct. 8. I will be leaving tomorrow for an extended stay in North Carolina. I truly appreciate your remembering me. I had read of your accomplishments and praise you for them. Your people are to be congratulated on your efforts to preserve your history and make our country aware of them - your ancestors -

We were so impressed with your homecoming we attended in 1993 and planned to attend again this year, but events prevented it.

Angela, your story in Kansas magazine was outstanding. Thanks for your efforts.

As an enclosing a check for your use in the new office and museum
