50 Golden Years Together

会恐

Golden wedding bells are ringing
Bringing back old memories,
And we live again those moments
In our silent reveries.

While through Sunset Vale we're passing,
In our hearts a melody,
Golden chimes are softly ringing,
Old love songs for you and me.

Life is like a mighty river,
Flowing onward to the sea,
Always, flowing, flowing, flowing,
Till it finds eternity.
