

TPC-167

**OBSERVATORY BALCONY AND FLOWER GARDEN
Waiting Room . . . Love Field Airport**

Seen from the balcony is the sunken garden in the main lobby of the great Love Field Airport. Notice the coloring of the interior, the mural map in the floor, the coloring of the seats as contrasted against the beautiful diamond shapes that glitter from the ceiling. Color photo by Hubert Lowman

ADDRESS ONLY

*I hope you are well
I hope all is well
I am feeling fine
I am trying out the ranch
land they are hauling
some great sunshine
down here
Harold DeBrack*
