G&M Media Productions (G&MMP) is a full-service modern communications agency that specializes in television production and computer generated design and layout for printed publications.

We have over 45 years of experience in media production. We have extensive professional experience in education and social work. This gives us keen insight into our clients' media needs.

G&MMP produces full-featured presentation packages including commercials for television or radio, photography *and* associated printed materials.

We specialize in producing training and workshop videos, video documentaries, presentation videos, music videos and video programs for broadcasting. Our consultation services often save clients much wasted time, energy and many precious dollars.
