All principal SANTA FE trains are now AIR-CONDITIONED

Remarks:

Grand Canyon National Park and the Indian-detours, on the Santa Fe to or from California and Southern Arizona, offer matchless stopovers of any length and at any season. The Santa Fe is the only railroad entering Grand Canyon National Park. Pullmans direct to the Rim. Indian-detours explore by motor the cliff dwellings, Indian pueblos and quaint native villages of the Spanish-Indian country about Old Santa Fé, New Mexico.

The Santa Fe is the only line under one management "all the way"—Chicago to California and Phoenix—thus insuring uniformity of service

- Santa Fe Double Track
- Santa Fe Single Track
- Other Lines

BASKETBALL

10 a.m. Saturday, Dec. 3, Open Rules Interpretation meeting,  
Kansas City.

Clinic in afternoon in Univ. Auditorium, Lawrence

Clinic basketball game at 7:30 p.m. in Auditorium

Central Mo. St. Tchrs. College vs. Univ. of Kansas.

October 7, 1938.

Coach Scott  
Tom

Dr. Carl Voltmer,  
Director of Athletics,  
Central Missouri State Teachers College,  
Warrensburg, Missouri.

Dear Dr. Voltmer:

We are very happy to have your acceptance to play the basketball game here on December 3rd. I am enclosing two copies of the contract signed by Mr. Gwinn Henry, our Director of Athletics. Will you kindly sign one copy and return it to us?

We cannot promise you a game for the 1939 schedule, but we will do the best we can. We are planning to go either east or west, and that may take up most of our schedule.

We will be glad to have Coach Scott assist in the demonstrations on Saturday afternoon, December 3. We will use our varsity squad for those demonstrations and of course he and I will get together so that we won't tire any of the players unduly.

I have just received the notice of your Homecoming Program on November 11, and also the list of students and faculty of the Warrensburg Normal who enlisted for service in the World War. In scanning over this list I find the names of many boys whom I knew so well when I was teaching at Warrensburg who are either deceased or are not reported.

My own brother, Richard C. Allen, was killed five years ago above the United States Military Academy at West Point. He was an aviator, an inspector for the Department of Commerce. He was at the time flying home to Haddenfield, New Jersey, for a birthday dinner with his wife and young child, and something went wrong with the engine and he baled out, but the parachute failed to open in time. He was dashed to death.

There are many others on this list whose whereabouts I can furnish, and I will be glad to send this later.

I will, of course, respond to President Diemer and Miss Landsiedel in answer to the invitation to attend the Homecoming celebration. I am afraid I will not be able to avail myself of the opportunity to visit you on Armistice Day, but I congratulate you on this fine move to get the old timers back. If there is any possible way, I should like to be at Warrensburg to greet these friends.

Very sincerely yours,

FCA:AH

Director of Physical Education,  
Varsity Basketball Coach.

CENTRAL MISSOURI

October 4, 1938

Dr. Forrest Allen  
University of Kansas  
Lawerence, Kansas

Dear Dr. Allen:

Your letter is at hand concerning the basketball game for December 3rd.

I have discussed the matter with Coach Scott, and we shall be glad to come for the guarantee of one hundred dollars. We hope that it will be possible for you to find us a place on your 1939 schedule for a game here at Warrensburg.

Coach Scott will be glad to use some of his boys in a demonstration work out in the afternoon, if you so desire. He will be glad to cooperate in any way that it is possible in this matter.

If you wish formal contract, we shall be glad to have it or you may consider this letter and its acknowledgment the agreement covering the game.

The matter of officials is, of course, left to you and Coach Scott.

Very sincerely,

*Carl Voltmer*

September 29, 1938.

Dr. Carl Voltner, Athletic Director,  
Central Missouri State Teachers College,  
Warrensburg, Missouri.

Dear Dr. Voltner:

Your favor of September 26th received. I am sorry that it would not be possible to offer you a guarantee of \$150.00. I would kindly call your attention to the fact that five years ago the University of Kansas played at Warrensburg for a guarantee of \$100.00. We had won four or five championships in the Big Six, but we did not consider our prestige in the matter. We went down to Warrensburg and played the game because it was an early season game; we went for the good that both of us could get out of it. I think we figured up the expenses of driving over and coming back, and it came to a little less than \$100.00 so we just agreed with Tad Reid that we would play for that amount.

In this game on December 3rd we would admit all the high school players and coaches who would come in for the clinic Saturday afternoon. It was my notion that we would not have much of a gate. So sure am I of this that I would be willing to offer you the entire gate receipts if you would not care for the guarantee.

I have had letters from six or eight schools asking us for this early season game, but I remembered a few years ago when Tad Reid came over here when the athletic shake-up was on, and he made a statement to the committee that we played every team in Kansas but would not accommodate him by playing his team. Of course, he had forgotten that just three years previously we had done this very thing, and only for a kindly accommodation.

I remember years back when the University of Kansas offered me a football game and a basketball game, I told them we would come for whatever they thought was right. I did not want any more than expenses, because I knew that these small schools do not draw much away from their own territory.

This game, of course, would be on Saturday night and all the merchants would be unable to attend the game on account of their business. So you can see why I consider \$100.00 a very liberal guarantee.

We have a great number of games rather definitely scheduled for next year. We plan to go to the East coast or the West coast, and either way we have tentatively committed ourselves, so for that

reason I would not care to sign a two year contract. However, it has been our policy to play these smaller schools, and I could assure you that if we did play you the next year or the year following that we would play at your school for the same guarantee that you would receive here. I consider this eminently fair, as I do when I offer you the \$100.00 guarantee, because it is exactly what we got when we played at your place in the last basketball contest between our two respective schools. The game that I refer to was played in December, 1933. You can look it up in your records and I think you will find my statement quite correct.

If you are further interested in a game I will be glad to hear from you.

With kindest personal regards, I am

Very cordially yours,

Director of Physical Education,  
Varsity Basketball Coach.

September 26, 1938

Dr. Forrest Allen, Director of Athletics  
University of Kansas  
Lawerence, Kansas

Dear Dr. Allen:

I have your letter regarding a possible basket-  
ball game, and have discussed it with Coach Scott.

We understand that it would be a regularly  
scheduled game and advertised as such. In view  
of our excellent last year's record, we feel the  
team would have some advertising value for its  
first game.

We are willing to come for a guarantee of one  
hundred fifty dollars, or for a two year agreement  
of one hundred dollars each year; preferably home  
and home but not necessarily so.

If you can use the game kindly let us know and we  
shall be happy to add it to our schedule.

With kindest personal regards,

Sincerely,

*Carl Voltmer*

Carl Voltmer  
Athletic Director

CV:MS

September 19, 1938.

Dr. Carl Voltmer, Director of Athletics,  
Central Missouri State Teachers College,  
Warrensburg, Missouri.

Dear Dr. Voltmer:

Some time ago you wrote me about a basketball game. At that time we had all of our dates arranged, but it looks as if there may be a slip up in one of our games that we may not carry through. If that is the case, I am thinking about the possibility of having a clinic game here on Saturday, December 3rd.

We are playing the Oklahoma Aggies at Stillwater at the dedication of their new field house with a seating capacity of 9,000, on December 9 and 10. Our Big Six coaches meeting is Friday night, December 2nd, and the basketball rules meeting is Saturday morning, December 3rd, at ten o'clock in Kansas City at the Hotel Kansas Citian. I thought it might be a nice thing if we could arrange a clinic game for the evening of December 3rd.

In the afternoon we could meet with demonstrations for the high school coaches of Kansas and Missouri and have our groups demonstrate the necessary fundamentals and formations. We, of course, would be glad to have Coach Scott and his squad demonstrate the fundamentals that he thinks would be necessary. If he should object and not care to use his men it would be entirely satisfactory, but we would be glad to work with him on this detail. We could get together and work out the points that he would care to stress and those that we would stress.

While we will not have much of a pay crowd, as we expect to invite all the high school coaches and players free, we would be glad to have you come over if you feel that you can come for expenses. Will you please confer with Coach Scott and let me hear from you at your convenience?

Dr. Lapp just returned after getting one of the Voltmers married. I haven't had a chance to talk with him long enough to ascertain which one it was.

With kindest regards, I am

Sincerely yours,

Director of Physical Education  
Varsity Basketball

FCA:AH

June 27, 1938.

Dr. Carl Voltner,  
Director of Athletics,  
Central Missouri State Teachers College,  
Warrensburg, Missouri.

Dear Dr. Voltner:

I am afraid that we will not be able to schedule an early season game with you for next year. We are dedicating the Oklahoma A. & M. fieldhouse in Stillwater on December 9 and 10, and we are playing them here on February 9. We are also making a trip into Texas during the Christmas vacation.

We are limited to 20 games for our schedule, and since we have 10 in the conference, and already our full number tentatively agreed upon, I am afraid we will not be able to meet you. However, I want you to give Coach Scott my kindest regards and best wishes for a very successful year.

Now, regarding baseball, I am afraid you are speaking of the hard ball variety. I guess we have gone "soft" up here. The University has a six-team soft ball league here in the Summer School. We call it, to sound big, the "Big Six National Baseball League", and we use the names of the Big Six schools to add a little interest. We are coming along splendidly, and Dr. Vernon Lapp is playing on the Wildcat team. Doesn't that sound ferocious? And he pounds that soft ball all over the lot.

I want to thank you for complimenting us when you ask for a guarantee of as little as \$25.00. I don't know where we would get the \$25.00! You know, we are the most socially-minded group that you might imagine. We would be delighted to have you drive over and visit us, and then if time wore on your hands during the visit we would be glad to play the ball game, but I don't know who would pay for the gasoline.

Seriously, I would like to play you, but we have no funds for travel. Let me know whether you mean hard or soft ball, and we will see whether we can't get some government money - maybe the government will pay the bill, who knows! People have asked the government for everything else, why not ask for a baseball trip?

Let me hear from you and we will see if we can work anything out. I think it would be fun to pick an all-star group and play you, if you mean soft ball.

With every good wish, I am

Very sincerely yours,

FCA:AH

Director of Physical Education,  
Varsity Basketball Coach.

CENTRAL MISSOURI  
STATE TEACHERS COLLEGE  
WARRENSBURG

June 20, 1938

Dr. Forrest C. Allem  
University of Kansas  
Lawrence, Kansas

Dear Mr. Allem:

Would you be interested in a schedule early season game with us in basket ball for next year. As you know the most of our last years good team has graduated, however, for a early game the last years record might be a little drawing card. I believe, however, Coach Scott will have a presentable team, not enough to give you much competition. If you are interested let me hear from you.

Would there be any possibility of a baseball game with a team representing your summer school. We have started such a team here this summer as an experiment. We are playing it merely as fun not as a college sport. We feel it will give the summer school enrollment a little entertainment. If you are interested we will be glad to come down for a guarantee of as little as \$25.00. See if the game can be arranged.

Very sincerely yours,

  
Coach Carl Voltmer
