Mr. J. W. St. Clair, Southern Methodist University, Dallas, Texas.

Dear Saints

Thank you for your good letter of May 5th stating that some of the boys down south are a little slow in answering our correspondence.

Saint, let us work on scmething definite. I believe that I will work the correspondence from this end of the line, and we will see what we can do about it.

If we could open with you on December 19 and 20 for sure, then we will have senething to work on, and can start from there. You will remember that Director Jimmy Stewart, you, and I talked regarding the guarantee. Did we not agree that we would sign a reciprocal guarantee of \$400.00 for two games, and then the next year you could come up here for the same amount? Will you please take this up with Him and see if this is satisfactory? I am hoping to be able to make the southern trip.

I am returning Ralph Wolf's letter to you for your files.

With every good wish, I am

Sincerely yours,

Director of Physical Education, Varsity Basketball Coach.

Dear Mr. Allen:

I am very disappointed to say that I have not received but one reply to my letters in regard to your trip. I do not understand such negligence. I am attaching the letter from Baylor University for your own information. I suggest that you write the coaches from Texas Christian University in Fort Worth, Texas University at Austin, Rice Institute at Houston, and Texas A&M College in College Station. All of these except perhaps A&M I have sent two letters.

I still hoep that this trip may be arranged. If you have any suggestions to make I shall be glad to follow them out. I certainly enjoyed being with you in Atlnta.

Very truly yours,

Mr. J. H. Stewart, Director of Athletics, Southern Methodist University, Tallas, Texas.

Dear Jims

Thank you very much for your good letter of the 25th ultimo. Flease do not think that I the less appreciate your good letter by the fact that I have neglected writing you, but I have been on this gasoline-chicken ple circuit of story telling since basketball season was over. You know these coaches are like the fellow who eats a meal he doesn't want so that he can tall stories he doesn't remember to people who have already heard them.

Frankly, I haven't been home long enough to attend to my administrative duties and my correspondence, but I am writing you now to tell you that I believe we can arrange it so we can get out of Lawrence in time to play you on December 19 and 20. However, I would like to carry a large squad for training purposes, and I am wondering if we could not arrange for a reciprocal guarantee of \$400 per game. This is our conference guarantee, \$400. We could play you here in Lawrence on the same terms the following year.

Oklahoma and S.M.V. are much closer, and I believe we will need this much money to travel. Many of the schools with which we arrange a guarantee of \$400 we meet the following year or the next year at Laurence at the same figure.

I would appreciate playing Texas, Texas A. & M., and Rice, maybe not two games, but one.

I imagine that you will not get to Chicago, but of course I will see Jim at the Rules meeting, and I imagine Coach Baccus will be there representing his basketball out-

I trust that you can arrange for this guarantee on a reciprocal basis. I would also thank you if you would tell me which schools there have the best floors and seating space. I have been to Austin and I know they have a swell

building and a fine floor.

By the way, Jimmy, I would like to play you another game of golf but I would want to play better than I did when I was down there with a stiff neck and a lot of other alibis. I am a rotten shooter, but I like those Dallas golf courses.

My regards to Saint.

Sincerely yours,

Dear Dr. Allen:

Jim St. Clair has shown me the correspondence that he has had with you recently with regard to a southern trip next year.

We would like very much to have you here for a couple of games and would be glad to try to line up games for you with Texas, Texas A. & M., Rice, etc.

We would prefer to have you open with us here on December 19th and 20th, if you could start your trip that early. With reference to guarantees, I will state that for several years we have been exchanging games with the University of Oklahoma and have paid and received a guarantee of \$250.00 for a series of two games. We had a similar set-up with Southern California on their tour through this section two years ago. I feel sure that it will be no trouble at all to work up a tour for you through Texas, getting you sufficient games to warrant the trip.

I would be very glad to have your reaction to both the dates and the guarantee.

With best wishes, I am

Sincerely yours,

Dear Saint:

I have in mind a southern trip next year during the Christmas holidays, and I am wondering if you would give me some good advice. I would like to end up down in Mexico with the boys, but I thought that during the early part of the Christmas vacation we would like to start down through Texas, playing the University, your school, Rice, and swing on down to New Orleans, if possible.

Orleans, but we want to go across the border into Mexico. We have played several Mexican teams here at the University, and they have insisted for a number of years that we come down there. I know some of the Mexican leaders and thought we would like to spend a little time there and pick up a few games on our way back, if possible.

I am wondering if you could kindly suggest the teams that have the better courts down south and the guarantee that you think we might get to make our trip successful. I would appreciate your kind assistance.

I noticed where you lost your ball game at the Garden, but you came through at Philadelphia o.k.

Columbia last summer, and I am looking forward to seeing you again at our rules meeting. I will also perhaps see you at our National Physical Education meeting.

Say, by the way, what about the courts down in Georgia and the Carolinas? Have your boys played down there?

With every good wish, I am

Sincerely yours,

Doar D. Kos

I am very happy to have your good letter of the 23rd ultime, and to know that your vacation worked the necessary wonders to you physically and mentally.

I thank you for your kindness in being able to give us \$400.00 for two games of backetball on December 16 and 17. If you will be kind enough to make contracts at this figure for these dates, together with the stipulation that should Texas play at the University of Kansas the reciprocal guarantee of \$200.00 per game, or \$400.00 for two games will be made, we shall be very happy. I will also thank you if you will fill in the contract so that Mr. Gwinn Henry, Director of Athletics, can sign for the University of Kansas.

I am very happy that the University of Texas and the University of Hansas will compete in several sports. This gives us the Texas-Hansas Relays and the games in football and baskets ball. I would say this is a very nice beginning.

As I told you, we are playing S.M.U. on December 19 and 20. I am wondering if it would be possible to get our old friend, Ernie Quigley, down to work those games. Of course, I know that you have a lot of good officials in your territory, and I would be glad if you would ask Jack Gray to recommend a list of officials that he things is satisfactory.

We trust that the University of Texas will be able to make the trip up north next year. It will be a pleasure for us to entertain you. You speak to Jack and see if he can't begin now in planning his trip up here just prior to the Christmas holidays. I think it would be a fine time to play - about the same relative dates as this year.

With kindest regards and best wishes to your good family, and hoping that you have a pleasant summer, I am

> Mr. Forrest C. Allen, Director Physical Education Department University of Kansas Lawrence, Kansas

Dear Phog:

I have just returned from a short vacation spent at Estes Park and, as you know from past experience, one is in sight of snow by day and in need of blankets by night. I have come back refreshed and feeling fine, so it seems a good time to answer your letter; namely, that we will give you \$400.00 for two games of basketball on December 16 and 17. If this is satisfactory, I will appreciate your letting me know at your convenience and we will send contract. Our basketball coach, Jack Gray, is very much interested in playing you, and I feel that it will work out to the benefit of all of us.

Phog, we would want it understood that in case we can come to Lawrence any time within the next year or two you will give us the same guarantee.

With kind regards and best wishes for a pleasant summer, I am,

Sincerely yours,

D. X. Bible

DXB:RH

We are having some difficulty in arranging our finances for the trip. Southern Methodist University has offered us \$400 for the two games at Dallas on the 19th and 20th of December, and you have offered us \$200 for one game and \$350 for two games on December 16th and 17th.

antee to \$400 for two games we could somehow make the trip without playing anybody else, other than the two schools. It seems as if the guarantees are small at the other places, and we would just arrange to come down and play you and S.M.U. We desire to carry a little larger squad than we would in a regular playing season due to the fact that just before the team is picked it makes it difficult to cut down too close at such an early date.

Will you kindly hold this letter until you get into a generous mood - we hope - and then answer it? I will appreciate the extra \$50.00 if you can cut it. Then we would like to play you on a reciprocal guarantee either the following year or the next year, whenever you could come up our way. I do not think it makes any difference so long as you get the same amount of money when you some here, and we would certainly want you up here.

With every good wish, I am

Very sincerely yours,

Director of Physical Education, Varsity Basketball Coach, It would be a great pleasure to endeavor to play a round of golf with you and have a fine visit.

If you will bear with no for another week I will be able to write you definitely regarding what our plans are. I have an appointment on June 7th with an athletic director who desires us to dedicate his field house.

I received a good letter from Jack Gray, and I am writing him about the same as I am writing you, but I should know soon after June 7th and will write you definitely. It is nice of you to ask us and to offer us the guarantee that you have. I would like to sign a temtative contract to have Texas play at our place the year following or the next year for the same guarantee.

I have no disillusions about what Texas will do in football and other sports, as well. We are looking for a mighty tough ball game here on September 24, and I know those Texas boys, when they boil out all the excess tissues in that good old Texas climate, will be a rollicking, rempart gang of buscameers who will tromp on Hount Oread stadium from now on. It will be fine to see you on September 24 and have a visit with you. We are looking forward to that with great anticipation.

With kindest personal regards, I am

Sinoerely yours.

Dear Phog:

I have discussed the matter of basketball games with our Basketball Coach, Jack Gray. We can meet you at Austin on December 16 and 17. Our students leave for the Christmas holidays the beginning of the next week, and we do not plan to schedule any games after the 17th. For one game, we can give you \$200.00, for two games, \$350.00. We, of course, will be glad to have you use our court for practice either before the games or after the games. I feel the arrangement would work out for the benefit of all of us.

There have been a lot of things to warm and encourage here during the past few weeks. The ex-students are working, and you know work will win when wishing won't. Our own group, the "T" Association, is beginning to be very active, and of course the most encouraging thing of all is that many outstanding boys have signified their intention of enrolling with us this fall. So, I hope sometime we can give the old grads a little to shout about.

We are looking forward with pleasure to our opening game with Kansas on September 24.
