Dear Dr. Allen:

Jim St. Clair has shown me the correspondence that he has had with you recently with regard to a southern trip next year.

We would like very much to have you here for a couple of games and would be glad to try to line up games for you with Texas, Texas A. & M., Rice, etc. We would prefer to have you open with us here on December 19th and 20th, if you could start your trip that early. With reference to guarantees, I will state that for several years we have been exchanging games with the University of Oklahoma and have paid and received a guarantee of \$250.00 for a series of two games. We had a similar set-up with Southern California on their tour through this section two years ago. I feel sure that it will be no trouble at all to work up a tour for you through Texas, getting you sufficient games to warrant the trip.

I would be very glad to have your reaction to both the dates and the guarantee.

With best wishes, I am

Sincerely yours,

J. H. Stewart
