

July 1, 1938.

Mr. D. X. Bible,  
Director of Athletics,  
University of Texas,  
Austin, Texas.

Dear D. X.:

I am very happy to have your good letter of the 23rd ultimo, and to know that your vacation worked the necessary wonders to you physically and mentally.

I thank you for your kindness in being able to give us \$400.00 for two games of basketball on December 16 and 17. If you will be kind enough to make contracts at this figure for these dates, together with the stipulation that should Texas play at the University of Kansas the reciprocal guarantee of \$200.00 per game, or \$400.00 for two games will be made, we shall be very happy. I will also thank you if you will fill in the contract so that Mr. Gwinn Henry, Director of Athletics, can sign for the University of Kansas.

I am very happy that the University of Texas and the University of Kansas will compete in several sports. This gives us the Texas-Kansas Relays and the games in football and basketball. I would say this is a very nice beginning.

As I told you, we are playing S.M.U. on December 19 and 20. I am wondering if it would be possible to get our old friend, Ernie Quigley, down to work those games. Of course, I know that you have a lot of good officials in your territory, and I would be glad if you would ask Jack Gray to recommend a list of officials that he thinks is satisfactory.

We trust that the University of Texas will be able to make the trip up north next year. It will be a pleasure for us to entertain you. You speak to Jack and see if he can't begin now in planning his trip up here just prior to the Christmas holidays. I think it would be a fine time to play - about the same relative dates as this year.

With kindest regards and best wishes to your good family, and hoping that you have a pleasant summer, I am

Very sincerely yours,

Director of Physical Education,
