Mr. E. C. Quigley,
National League Headquarters,
RCA Building,
New York City, N.Y.

Dear Ernie:

I wrote the University of Texas and SMU officials asking that you work the four games down there. I am sending you a carbon copy of the letter I wrote to Jack Gray, basketball coach at the University of Texas, in response to his contention that we pick two Texas officials there, and two Missouri Valley officials when they come up here next year.

I have a similar letter from J. H. Stewart, director of athletics at SMU, saying that J. W. St. Clair has been appointed commissioner of officials and he would perhaps select officials for the games.

I assure you that I have no desire to present myself as being afraid of the kind of a game that they might officiate, but I thought it would be better for all concerned to have one official from each locality, this arrangement to be reciprocal at both places.

It might be possible that you could not work the games at all, but naturally I would desire to have you if you were available. I was under the impression that I had written you concerning these dates before, but perhaps not. I know I wrote you telling you about the Oklahoma Aggie games on December 9 and 10 at Stillwater, and on February 9 here. Will you kindly let me know if you are available for our game with the Oklahoma Aggies here on February 9th? If you are not please let me know so we will not be delayed in getting some one else. I wrote the Texas people and asked that you be considered for the games at Austin on December 16 and 17, and for the games at Dallas on December 19 and 20.

With best wishes for a pleasant summer, I am

Very sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
