Dear "Doc":

I would indeed be happy to work in your game with the Okla. Aggies, Feb. 6th. in Lawrence. It is possible that I can change a date that I have Feb. 10th, so as to be able to work in your game with Washburn in Topeka Feb. 10th. I am writing to ask them to get another official, since the school in question is using but one official, and the game, while I am not afraid to work it alone, I just don't feel it is worth sticking my neck out, unless it is necessary.

So if it is possible for you to wait a little longer, before getting another official I would appreciate it.

Thank you for remembering me. I do enjoy working for you and your team.

With kind regards,

A. F. Hinshaw,

Mr 7220
