Mr. Ab Hinshaw,
Hanford Air Lines, Inc.,
Kansas City, Mo.

Dear Ab:

We have a game with Washburn College at
Topeka on the evening of February 10th, and if you are
available at that time we should be glad to have you
as one of the officials of the game. E. C. Quigley
has consented to officiate.

I remember that last year we were unable
to get together on our dates, and we would be happy to
use you this year if possible.

Very sincerely yours,
