Mr. E. C. Quigley,
National Baseball Umpires League,
E.C.A. Building,
New York City.

Dear Ernie:

You doubtless have received word from Henry Iba that we agreed upon you and Earl Jones to work our games at Stillwater on December 9 and 10, and at Lawrence on February 9, for our Oklahoma Aggie - Kansas Games.

Please let me know if you will be unable to work on these dates, as we desire to obtain other officials if you cannot.

We also have tentative arrangements to play the University of Texas at Austin on December 16 and 17, and Southern Methodist University at Dallas on December 19 and 20. No officials have been agreed upon as yet, so I would like to know if you are in position to serve. We may play a game with Rice, but that is, as yet, undetermined. Please let me know if you are available for these games. If you are I will be glad to recommend that you work.

Very cordially yours,

Director of Physical Education,
Varsity Basketball Coach.
