Dear Mr. Kyle:

We are sorry, of course, that it was impossible for us to secure Reeves Peters for our Washburn-Kansas game on February 10, but I understand why you felt you could not release him.

With best wishes, I am

Dr. F. C. Allen
Kansas University
Lawrence, Kansas.

Dear Mr. Allen :

After our telephone conversation yesterday I looked up Reeves Peters assignment here and found he was working our game with Westminster instead of our game with Wm Jewell.

I am sorry but I cannot ask for his release on this game as it was difficult to find an official that would be satisfactory and it is too late to look for another. This is also a Friday game and officials are usually hard to find.

I have written to Reeves and explained the situation to him. I regret that I cannot favor you in this matter.

Very truly yours

N. P. Kyle

simply a confirmation of the assignment.

Dear Dr. Allen:

The officials for the Washburn--K. U. game are very uncertain at this time. I am wondering if Mr. Quigley is going to be able to work in this game, and, also, Mr. Hinshaw. At the time I wrote Mr. Hinshaw, he asked me to hold it open until he could find out whether he could work that date or not. I have been unable to find out for sure as yet.

I feel that we have waited long enough and should make some arrangement to be sure that we have officials here for the game. It may be hard for us to secure officials if Mr. Hinshaw and Mr. Quigley are unable to work this game.

I will suggest the following officials who will be O. K. with me. If there are some in this group that are not satisfactory to you, please suggest others that we can immediately contact. We probably will be unable to secure some of these that I mention, Ted O'Sullivan, Claude Cochran, John Lance, Gus Fish, and Reeves Peters. If you have any other suggestions, let me hear from you at once, and I will contact them.

February 3, 1939.

Mr. C. D. Erickson,
Washburn College,
Topeka, Kansas.

Dear Dee:

I received your message that Claude Cochran will be able to work on February 10 at Topeka. I imagine the game is called at 8 o'clock, is it not?

By the way, quite a group of our Jay Janes, the girls' pep organization, are going up to the game and will sit in a block of seats. There are about forty of them and they will pay the regular admission, and I would appreciate it if you could arrange for those people to sit in a square block. Miss D. J. Willcuts is the president of the Jay Janes and she stated to me that it was her plan for the group to drive to Topeka for dinner and then occupy a block of seats at the Washburn game.

I will appreciate any cooperation that you can extend to her in this arrangement, and incidentally, this should help out on the gate receipts, as they have their own money and expect to pay their way.

I am enclosing carbon copies of the letters that I have written to Mr. Kyle and Mr. Reaves Peters. I trust that this will clarify the officiating situation.

Very cordially yours,

FCA:AH

Director of Physical Education,
Varsity Basketball Coach.

Mr. H. P. Kyle,
Athletic Director,
Tarkio College,
Tarkio, Missouri.

Dear Mr. Kyle:

Confirming our telephone conversation this morning, I appreciate the fact of your being willing to release Mr. Reeves Peters as an official in your Tarkio-William Jewell game on February 10, so that he could referee our Washburn-Kansas game in Topeka on that date.

It is very nice of you, and I assure you that I appreciate it. I am equally glad to have been of service to you in helping your injured football captain back to playing condition. I would call this reciprocity, because we were badly in need of an official for this game.

Very cordially yours,

Director of Physical Education,
Varsity Basketball Coach.

February 3, 1939.

Mr. Reaves Peters,
Northeast High School,
Kansas City, Mo.

Dear Reaves:

I called up Mr. H. P. Kyle, athletic director at Tarkio College, telling him that you stated you would be glad to work our Washburn-Kansas game at Topoka on February 10 if he would release you from your obligation as an official in the Tarkio-William Jewell game on that date.

At Thanksgiving a year ago Mr. Kyle brought his captain and star football player to me to have an injured knee repaired; I did it and the boy fully recovered so that he could play the following year. This morning when I called Mr. Kyle I told him that I had done a favor for him and I would like for him now to do me a good deed, and that was to release you. He said that he would be glad to do so and he would endeavor to arrange for another official for the game with Tarkio and William Jewell.

So we are expecting you to officiate along with Claude Cochran, at Topoka, on February 10. Mr. C. D. Erricksen, the basketball coach at Washburn, arranged for Mr. Cochran to work, so I would thank you if you would write Mr. Erricksen telling him that you would be glad to serve.

Trusting that everything has been arranged satisfactorily for you and Cochran to work this game, and with kindest regards, I am

Very sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.

Dear Claude:

I am glad that you are free to work our game with Washburn at Topeka on February 10th.

You remember that I always told you that I liked you personally, but I didn't have much use for the company that took \$1700 in cold cash out of our financial till. I still can't get over that.
