Dear Dr. Allen:

The officials for the Washburn--K. U. game are very uncertain at this time. I am wondering if Mr. Quigley is going to be able to work in this game, and, also, Mr. Hinshaw. At the time I wrote Mr. Hinshaw, he asked me to hold it open until he could find out whether he could work that date or not. I have been unable to find out for sure as yet.

I feel that we have waited long enough and should make some arrangement to be sure that we have officials here for the game. It may be hard for us to secure officials if Mr. Hinshaw and Mr. Quigley are unable to work this game.

I will suggest the following officials who will be O. K. with me. If there are some in this group that are not satisfactory to you, please suggest others that we can immediately contact. We probably will be unable to secure some of these that I mention, Ted O'Sullivan, Claude Cochran, John Lance, Gus Fish, and Reeves Peters. If you have any other suggestions, let me hear from you at once, and I will contact them.
