Dr. F.C. Allen,
Director Physical Education,
Kansas University,
Lawrence, Kansas.

Dear Dr. Allen:

There are so many natural ways of addressing you, such as Mr. Dr. Fogg etc., I sometimes wonder just how to say it, however, after your many years with the University, I presume you expect most anything. Any way, I do appreciate your letter of October 8th, giving me further information regarding your trips to Texas, and would certainly appreciate having you on our railroad again.

If I knew the number in your party also your plans, I no doubt, could give you more definite information as to schedules, rates etc., and I will be very glad to call on you at your convenience and go over all details with you.

Again, we do have the service to Austin, Texas, and having in mind that you will go from Austin direct to Dallas, I am quoting what I consider the very best service:

Lv: Kansas City	MKT Bluebonnet	5:30 PM
Ar: Austin	"	2:28 PM
Lv: Austin	MKT Flyer	1:20 AM***
(***Sleeper set for occupancy at Austin 9:30 PM)		
Ar: Dallas	"	7:40 AM
Lv: Dallas	MKT Limited	11:00 PM
Ar: Kansas City	"	1:50 PM

In quoting the above schedule, I have in mind that you will want to leave Austin and Dallas after the game at night. However, I am enclosing copy of our latest time table and would refer you to Page 14 which I have marked, giving complete train service between the points mentioned.

We operate three fine trains daily between Kansas City and Austin, as follows:

	THE KATY FLYER	THE BLUE BONNET	THE KATY LIMITED
Lv: Kansas City	8:30 AM	5:30 PM	10:10 PM
Ar: Austin	4:30 AM	2:28 PM	6:45 PM

You will note the Flyer departing at 8:30 AM arrives Austin 4:30 AM, which is rather early and in case you should desire to use chair car service for the day light ride to Dallas, you arrive that point 10:05 PM and leave at 11:00 PM at which point car to car transfer could be made to the Dallas-Austin set out sleeper, which can be occupied at Austin until 8:00 AM. The Pullman car on this train from Kansas City operates through to San Antonio.

You can purchase round trip rail tickets to Austin, which permit stopover at Dallas. The round trip first class rate Kansas City to Austin is \$31.20, round trip coach \$26.40, good for 30 days. Rate for lower berth Kansas City to Austin is \$6.05, Dallas to Austin \$2.65.

As stated, I will be very glad to call on you, or furnish any information desired in connection with your trip.

Again thanking you for your letter, and assuring you of my personal interest.

Sincerely yours

M. R. SMITH

Mr. Ab Hinshaw,
Mid-Continent Airlines, Inc.,
105 West 12th Street,
Kansas City, Missouri.

Dear Ab:

I want to tell you that we were well pleased with your work in our Oklahoma Aggie games, save the one objection that I have noticed continuously - that the illegal starting of the dribble was consistently violated by the Oklahoma Aggies most of the time and with us part of the time.

This was done during the first night and at the beginning of the second night I went to Henry Iba and asked him to speak to you two officials about it. He did so, but I could not see any appreciable improvement in calling this violation.

The reason the rule makers put in the stipulation that the dribble should start with a step and not with a run was the fact that when the dribbler took a step in one direction and then changed his bodily movement by raising the rear pivot foot and start off in another direction it put an unreasonable burden upon the guard, making the dribbling player absolutely impossible to guard without creating a foul. Therefore, the most important part of a dribble play is seeing that the dribbler keeps the rear pivot foot in place, then the guard has a chance to guard him without making a foul.

I had heard that you made the statement that "Phog put the officials on the spot by calling attention to the foul that Bobby Allen committed." I want you to know, Ab, that since my son had committed this type of foul and since it was pointed out that this type of foul is unsportsmanlike conduct, then there was nothing else for me to do than to declare the rule as it was played. Had it been some player other than my son then it could have been more easily excused, but having had a son on the team who is supposed to know the rules it was naturally up to his father to correct the mistake when the officials missed it.

I am saying these things in the most kindly manner and not finding fault at all with you, but I felt like it would be better for me to write you a letter explaining my action than to remain silent and have you feel that I was dissatisfied with any phase of your officiating. Personally, I do not think that

I put either one of you officials on the spot, because naturally an official is supposed to know the rules and when the foul was not called and when Iba raised such strenuous objections if I had not done my duty in this regard it would have looked more like I was taking advantage of a rule and yet got away with it through sharp practice.

Having been on the Rules Committee and having had this thing discussed at the Rules Committee meeting, and then to have acquiesced to a violation of the rule by keeping quiet, it would have made me doubly guilty. For that reason I was forced to act and I trust that you and Jones will not feel that I was trying to put you on the spot but rather my own son and I were very much on the spot more than you fellows were. This was the motive that prompted me to act as I did.

Wishing you a very prosperous New Year, and assuring you that it will be a pleasure to have you work in our future games, I am

Very sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.

The Jayhawk Coach

Dr. Forrest C. Allen

Twenty-two conference championships in 28 years of coaching is the record of Dr. Forrest C. Allen, basketball coach at the University of Kansas. He is the dean of basketball coaches in the United States, having been in the coaching game since 1908.

Dr. Allen played his high school basketball at Independence, Mo. and it was there that he first met Dr. James Naismith, inventor of the game of basketball, and coach at Kansas then.

In 1904 Dr. Allen entered the University of Kansas. During his college career, he lettered in basketball in 1905, 1906 and 1907 and in baseball in 1906 and 1907.

The following year, 1908, saw Dr. Allen off to a successful start as a coach, with a championship basketball team at K.U. His second Jayhawk team made even a better record in winning another championship the next year, marking up ten conference victories to two defeats.

The same season, Dr. Allen was coaching the Haskell Indian "National Aboriginal" team which won 19 of 24 games and the cage team of Baker University, 20 miles away.

This concluded Dr. Allen's coaching efforts for three years, while he pursued the study of medicine. In 1912 he became coach of all sports at Missouri State Teachers College at Warrensburg and his service as a coach has been continuous from that date.

In his first year at Warrensburg, Dr. Allen's football, basketball and baseball teams were undefeated and the basketball team started a series of championships which was unbroken during his seven years there.

In the fall of 1919 he became director of athletics at the University of Kansas, and before the basketball season was over was coaching that sport. Missouri was dominant in basketball at that time, but by 1922 the youthful Jayhawk mentor had brought Kansas up to a tie with the Tigers, each team losing a single game of the 16-game conference schedule.

The remaining six seasons of the old Missouri Valley conference yielded Kansas five championships, the one on 1923 without a defeat. This season was notable, also, as being in the midst of a winning streak of 34 consecutive conference games, ended, finally by Oklahoma, which in 1928 moved in championship position.

Oklahoma carried over its winning ways into the Big Six conference and held the leadership in 1929; Missouri won the next year; then Kansas, under Dr. Allen, swept the next four years. The 1935 championship went to Iowa State, coached by Louis Menze, a pupil of Dr. Allen's at Warrensburg.

In 1936 the Jayhawks blazed through their regular schedule without defeat, winning eighteen consecutive games. In the regional Olympic tryouts Kansas defeated Washburn and Oklahoma A. & M. to qualify for the semi-final eliminations.

In that series of games the Jayhawks played Utah State and won the first game, but at a great cost. Francis Kappelman, all-conference guard, suffered a deep cut across his knee, when he ran into a wire supporting one of the goals and was lost to the team. Without him Kansas could not keep pace with the sensationally shooting Utah State.

In 1937 Kansas and Nebraska tied for the championship and last year the Jayhawks were undisputed champions.

Personal Sketches
University of Kansas Basketball
1938-1939

ALLEN, ROBERT- center or guard- 19 -home, Lawrence; graduate of Lawrence high school, 1937; coached by Edd Wood. One of the stars of last year's outstanding freshman team. Youngest son of Coach Forrest C. Allen. Has been playing basketball ever since his kindergarten days. A remarkable ball handler and all-around player. Likely to hold down the "quarter-back" position which his brother Milton played in 1935 and 1936. Can play any position, forward, center or guard, however.

CORLIS, LYMAN- guard- 21 -home, Lawrence; graduate of Topeka high school, 1935; coached by "Buck" Weaver. A two letter man at forward, he has been shifted to guard to fill the vacancy left by the graduation of Fred Pralle, Kansas' all-American guard. Is showing up even better at guard than he did at forward. A real scoring guard and a fine rebounder on defense. In the starting lineup a number of times last year.

DURAND, FENLON- guard- 20 -home, Junction City; graduate of Junction City high school, 1935; played under Coach Henry Shenk, highly successful former Lawrence high school and K.U. star. Durand has lettered the past two years in basketball and track. Tall and well built.

EBLING, DONALD- forward or center- 20 -home, Lindsborg; graduate of Lindsborg high school, 1936; prepped by Coach O.C. Ostenberg. Brother of Ray Ebling, Kansas' all-American forward who graduated in 1936. The big surprise of the 1937-38 season. Worked his way up from the third team to a starring role on the championship quintet. The team's second high scorer last year. One of the hardest workers on the squad. Is polishing up his game and should rank with the best this season.

ENGLEMAN, HOWARD- forward- 18 -home, Arkansas City; graduate of Arkansas City high school, 1937; played under Coach Everett Nicholson. One of the two scoring sensations on last year's brilliant freshman team. Made seven field goals in the game with the varsity last year. Was an exceptional scorer in high school and is looking even better at K.U. Has an uncanny eye for the basket and unusual ability at worming his way under the basket for setups.

FLORELL, LOREN- forward- 21 -home, Topeka; graduate of Topeka high school, 1935; played under Coach "Buck" Weaver, along with Corlis. Attended Washburn College a year after graduating from Topeka high. Then transferred to K.U. Won a letter last year. The tallest man on the squad at 6'4". Very impressive in early workouts this season. A remarkable long shot and cannot be stopped when he is hot.

GOLAY, GEORGE- forward- 20 -home, Warrensburg, Mo.; graduate of Warrensburg high school, 1935; coached by "Bud" Kennedy, whose father, Dr. A.R. Kennedy, was football coach at K.U. from 1904 to 1911. A first string forward part of the time last year. Has lettered twice, but appears to have just found himself. A whirlwind in the early practices, Golay may be the outstanding man on the team this season. His height makes him dangerous around the basket and his all-around play is much improved.

HARP, RICHARD- guard- 20 -home, Kansas City, Kan.; graduate of Rosedale high school in Kansas City, 1936; coached by Roscoe Brown. On the basis

of his start last year, Harp should be one of the greatest Kansas guards of all time. As a sophomore he was one of the finest defensive guards in the country and his shooting won him the nickname of "Deadeye Dick". Awarded a place on the second all-conference team last year. Big and fast, he is the ideal guard. Always plays at a terrific pace.

JOHNSON, CARL- forward or guard- 20 -home, Kansas City, Mo.; graduate of Northeast high school in Kansas City, 1935; coached by Reeves Peters. Center on the Northeast team which won the state championship in 1935. A first string guard last year until he suffered a recurrence of an old knee injury. Equally good as a forward. A fine rebounder.

KAPPELMAN, LESTER- center or guard- 21 -home, Lawrence; graduate of Lawrence high school, 1935; coached by Edd Wood. Brother of Francis Kappelman, who starred on three Kansas basketball teams, finishing up in 1936. A fine ball handler. Has yet to miss a free throw while playing at K.U. Shortstop on the baseball team.

KLINE, JOHN- forward- 19 -home, Hutchinson; graduate of Hutchinson high school, 1936; prepped by Coach "Chop" Cairns. Attended Hutchinson Junior College a year after graduating from Hutchinson high. A rangy boy who is valuable for his rebounding ability. Good around the basket and a sophomore of considerable promise. A regular on the freshman team.

MESSNER, KENNETH- guard or center- 19 -home, Arkansas City; graduate of Arkansas City high school, 1937; played under Coach Everett Nicholson. A guard on the first freshman team last year. A high class defensive guard and a good long shot. Played center in high school.

MILLER, RALPH- guard- 19 -home, Chanute; graduate of Chanute high school, 1937; played under coaches Dale Skelton and Tony Lockyear. Averaged more than 19 points a game during his three years of high school basketball. Probably lost for the season, due to a knee injury.

NEES, WAYNE- guard- 24 -home, Brazil, Ind.; graduate of Brazil high school; coached by Harold Wheeler. Lettered last year in basketball and track and also was a member of the football squad. A burly guard who is rugged on defense and a good long shot on offense.

REID, BRUCE- forward- 20 -home, Arkansas City; graduate of Arkansas City high school, 1936; prepped by Coach Everett Nicholson. A "come through" player who plays his best basketball when the chips are down. An exceptionally smooth passer and ball handler. In the starting lineup for several games at the end of the season last year. Pretty accurate on Ray Ebling's old "scoop shot".

VORAN, BRUCE- center or guard- 20 -home, Pretty Prairie; graduate of Pretty Prairie high school, 1936; played under Coach Walter Graber. Captain of the Pretty Prairie team that won the state Class B championship in 1936. Kept out of action last year by a burn. In good shape again now and making an impression with his smooth ball handling.

Dear Phog:

Although I have not heard from you since last summer regarding the proposed Carleton basketball game to be played in Lawrence, January 2, I am assuming that this game is definitely set for your schedule, and that we shall receive a guarantee of \$200.00.

If there is any change regarding this game, will you please advise, but since we are leaving here on a basketball trip December 16, you can get in touch with me either at the Carpenter Hotel in Sioux Falls, South Dakota, from December 16 to 20, or at The Palmer House in Chicago from December 21 to December 23.

We sincerely hope that you are planning to entertain us in a game of basketball, January 2, because we have already scheduled a game at Baker University for December 3.

If there is any change regarding the above, please advise, and in the meantime, best wishes for a merry Christmas, and a prosperous new year.

Sincerely yours,

Marshall J. Diebold
Director of Athletics

Sioux Falls, South Dakota.

Dear Mr. Diebold:

Dr. Allen left this morning with the basketball squad for Austin, Texas, where they play the University of Texas on the 16th and 17th, and then they will play Southern Methodist at Dallas on the 19th and 20th.

Your letter of the 14th came after Dr. Allen had gone, and I am writing to tell you that he is definitely counting on your being here with your team on January 2nd. There has been no change in the plans since he wrote you last summer.

No doubt Dr. Allen will write you after he returns from the Texas trip the latter part of next week.

Sincerely yours,

Secretary to Dr. F. C. Allen,
Varsity Basketball Coach.

Mr. Marshall Diebold,

Dear Marsh:

I was glad to receive your letter of the 6th instant, and we will go ahead rather definitely, planning on January 2nd.

I am not the type of fellow to want to beat a man down to a level that he cannot afford; you know all of us must live and let live. However, I am thankful that you have suggested the range of price for the guarantee. Don't you think the middle figure between \$100 and \$500 would be satisfactory? Two hundred dollars was just about what I had in mind, if we can get the board to approve this.

I feel reasonably certain that my recommendation will be followed in this matter, and we will tentatively agree on this figure and on the January 2nd date.

I agree with you that it would be impossible for you to play at any other time. Our school opens on the 2nd. I have just confirmed this, and we might just as well give the students something to start on the first night. They don't do much studying anyhow, perhaps, although the professors perhaps hope they will.

I am leaving for Louisville, Kentucky, to visit my oldest daughter and her family, where Mrs. Allen and our other two girls are at the present, and upon my return I will definitely check up with Mr. Gwinn Henry, Director of Athletics, and get his approval. I am very sure that we will have a dandy game, and I want to assure you that we are happy to have you.

I trust that your family is well.

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.

Dear Phog:

Thanks you for your letter of
Aug 4, and since we have a game at
home Jan. 4, I believe that Jan. 2,
would be about the only date for us
to play at Kansas. Hope this fits in
with your home schedule.

Regarding guarantees, I understand
your situation, and since the opportunity
which our boys will have in first meeting
your team, to say nothing of the trip
and friendships in visiting with your boys,

will be the real meat of our season, I
suggest anything from \$100⁰⁰ to 300⁰⁰.
I hope this spread will meet with
your approval and that you pick a
number which will be O.K'd by your
board. However, from my personal
standpoint, I sincerely hope that the
guarantee question will not block the
game. In fact, Phog, whatever guarantee
you are able to get for me will be
satisfactory.

Thanks you again for considering
us and in the meantime best wishes,

P.S. We plan to leave
here for Northfield - Aug 26.

Sincerely,
Marsh Siebold.

Dear Marsh:

Congratulations on the arrival of that nine pound boy, first introduced to the world on July 7 at 4:45 a.m.! The early bird certainly should be out ahead of the other fellow.

We open school on January 2 and many of our students of course do not get in on the first day, but I imagine that is as late as you could stay away from your school; is it not? What is your schedule? When do you play on the 3rd? However, I think we can arrange it on the 2nd if that is preferable to you.

We can not be too generous in the way of a guarantee, as you know F. C. Allen is just the basketball coach and not Director of Athletics, so I've got to submit my case to the powers that be to get this approved. What would you feel that you could come for? I trust that we can have a game.

We have not closed with Washburn College yet. I have submitted the same date to them, but their coach is evidently out of this part of the country. However, I much prefer to play you as Washburn is so much closer here, and your game would be more inviting on the schedule.

With every good wish, I am

Very sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.

Dear Dr. Allen: Thank you for your letter

a game at Lawrence Jan 2 is
O.K. with us and the details
regarding guarantee + etc can be
worked out later. However, I did
want to write at once and advise
that we shall be interested in

the possibility of the game Jan. 2.

When you have your schedule
definitely arranged we shall expect to
hear from you, but in the meantime,
best wishes for a pleasant summer.—

Mr. Marshall J. Diebold,
Director of Athletics,
Carleton College,

Dear Marsh:

I regret extremely that I have not answered your good letter of April 22. Commencement and summer session seemed to take my time from the latter part of May until the present time. I was in Minneapolis, Chicago, and Atlanta attending physical education meetings earlier, and after that I made a tour of the state on commencement addresses, so I have only taken care of correspondence that seemed to haunt my coming into the office. I assure you that your letter was not one of those.

Doubtless your schedule is already arranged ere now. It is very difficult to get a game on December 30 - 31 around here, as most of the colleges are located in small towns and the drawing power is not sufficient for a guarantee. I am wondering if you would like to play us here in Lawrence on January 2. That is the day our school opens after the Christmas holidays, and of course we would not be well organized, but we would be glad to at least tentatively talk the matter over with you.

If you participate in the basketball exhibition at Marshalltown on December 27 and 28 why don't you swing on down here and have a little visit with us and practice a few days at the University and play us on January 2? We can't give you a lot of money, but we will endeavor to keep the wolf from the garage door if you can arrange it. I have a tentative letter out for this date with another school, but it might be we could switch that if you could make the trip.

Wishing you a very pleasant summer, I am

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.

Dr. Phog Allen
Coach of Basketball
University of Kansas

Dear Dr. Allen:

Since we have been invited to participate in a basketball exhibition which will be held at Marshalltown, Iowa, December 27 and 28, I am taking this opportunity of asking you to help me get another game on this trip in view of the fact that it will be during our Christmas vacation, and since our school does not start until January 3, I would out of necessity be obliged to take care of our basketball squad during that entire time. We would like to have a ~~game~~ on December 30 or 31, whichever date would fit in best with the plans of the other school.

It was a real pleasure to have visited with you at the basketball meeting in Chicago, and I sincerely hope that we shall again have the privilege of seeing you at the Drake Relays in Des Moines next weekend.

Whatever you suggest regarding the possibility of a game on either or both of the above dates will as you may well expect be greatly appreciated.

Best wishes, and hope to see you soon.

Sincerely yours,

Marshall

Dear Mr. Diebold:

Your letter of April 22 to Dr. Allen has been received during his absence.

Immediately upon his return from Atlanta, Georgia, where Dr. Allen attended the National Physical Education convention, he left Lawrence to fill a number of speaking engagements out over the state. He expects to return to the office next Saturday, and I am sure he will give your letter his attention at the earliest possible date.

Sincerely yours,

Secretary to Dr. F. C. Allen.
