Remarks:

Grand Canyon National Park and the Indian-detours, on the Santa Fe to or from California and Southern Arizona, offer matchless stopovers of any length and at any season. The Santa Fe is the only railroad entering Grand Canyon National Park. Pullmans direct to the Rim. Indian-detours explore by motor the cliff dwellings, Indian pueblos and quaint native villages of the Spanish-Indian country about Old Santa Fé, New Mexico.

The Santa Fe is the only line under one management "all the way"—Chicago to California and Phoenix—thus insuring uniformity of service

- Santa Fe Double Track
- Santa Fe Single Track
