Mr. J. W. St. Clair, Southwest Athletic Conference, Southern Methodist University, Dallas, Texas.

Dear J. W.:

Thank you for your kind letter of the 28th instant. It was out notion to come back to Lawrence in easy stages after playing S.M.U., stopping off on the way. I doubt that we would care to play T.C.U. a regular game for a smaller fee than we are playing any other games down there, but we would like to stop off and work out a day or two there, as we will disband for the Christmas vacation on the way back.

I would appreciate it if you would ask Mr. Howard Grubbs if this would be satisfactory. By the way, is their building any better heated than yours? I remember your telling me that your place was not a good place to practice in on account of inadequate heating facilities, and that was why I had the idea of moving on to Fort Worth.

day, and then move on into Kansas.

Now, in regard to the Commissioner's job in the Big Six. I talked to our Professor W. W. Davis, our faculty representative from Kansas, and he is now over at Columbia, Missouri, meeting with the other faculty representatives. They are seriously considering a commissioner in the very near future. Why do you not write to some of the faculty representatives at the different institutions in the Big Six and present your name and credentials? The following men represent the different institutions:

Prof. W. W. Davis, University of Kansas, Lawrence Prof. H. D. Bergman, Iowa State College, Ames Prof. H. H. King, Kansas State College, Manhattan Prof. S. B. Shirky, University of Missouri, Columbia Prof. T. J. Thompson, University of Nebraska, Lincoln Prof. E. D. Meacham, University of Oklahoma, Norman.

If I can help you at any time it will be a pleasure. I hear by the grapevine that they are considering such men as Grover, of Kansas City, who has had a heart attack, Reaves Peters, of North-

east High School, Kansas City, Leslie Edmonds, of Wichita, Artic Eilers, of Washington University, St. Louis, and several others. It is my decided opinion that you could benefit yourself if you were to apply.

With all good wishes to you, I am

Very sincerely yours,

FCA:AH

J. W. ST. CLAIR EXECUTIVE SECRETARY TEMPORARY OFFICE S. M. U. DALLAS, TEXAS

September 28, 1938.

Mr. Forrest C. Allen, Basketball Coach, University of Kansas, Lawrence, Kansas.

Dear Forrest:

Are you going direct from Dallas back to Lawrence? If so, might persuade T. C. U. to play you for a nominal fee. Their gym is somewhat similar to ours. It is a wooden structure. Please let me know what time you plan to be in Fort Worth, and I shall be glad to take up the matter with Mr. Howard Grubbs, their Athletic Director, and Mr. Brumbelow, their Basketball Coach.

This new job of mine is keeping me busy, but I am enjoying it. I am looking forward to the time when you will see fit to establish such a position in the Big Six.

Yours very truly,

J. M. St. Clair.

Mr. J. W. St. Chair, Executive Secretary, Southwest Athletic Conference, Southern Methodist University, Dallas, Texas.

Dear J. W.s

I was just looking over the map in studying our itinerary to Texas. I had forgotten whether you mentioned that T.C.U. had a new basketball court. Coming back from Dallas we go to Fort Worth, and I thought if T.C.U. did have a nice place to practice we might ask them to let us use their gymnasium for a day or two before hurrying back to Lawrence.

appreciate your writing to the T.C.U. people asking if this would be possible, and then, of course, I would later write them after I found out what the possibilities are. I will appreciate your kindly cooperation.

With kindest personal regards, I am

Sincerely yours,

Mirector of Physical Education, Varsity Basketball Coach.

Dear Jacks

We are going to Stillwater, and want to get off at Enid to board a special bus which you will arrange to take us to Stillwater on Friday, December 9. I haven't yet finally determined the number on our squad, but it will be from 16 to 20. However, I will notify you definitely the first of next week.

We will also want to go to Dallas as you have outlined in your letter of November 22. On our return trip, we will want to leave Dallas on December 21 on the Rocket at 9:30 a.m. which gets into Oklahoma City at S p.m., but we want to get off at Norman, 18 miles south of Oklahoma City. We can catch some later train out of Norman for Oklahoma City that night after the game. After we get to Oklahoma City we can come in on the Rocket.

Dr. Forrest C. Allen, Athletic Director, Kansas University, Lawrence, Kansas.

Dear Dr. Allen:

Mr. Reid has returned from his little trip north and has told me of the very pleasant visit that he had with you and the boys and how thrilled he is with the prospects this year for you and your team. And, of course, it is needless to tell you how very much interested I was, or how eagerly we search the papers each morning for any little bit of basket ball news from Lawrence.

We are looking forward with a great deal of pleasure to seeing the games in Stillwater, Friday and Saturday, and I am sure they will be good ones, and of course, I am praying that our team comes out victorious. Mr. Reid and I are coming and Mrs. Engelman, Howard's mother, is coming along with us, so I am wondering if you will be so kind as to get three tickets for us. We may not get there very early, because I will not be able to leave my office before five o'clock, and in the event that we should have any car trouble, it might be that we could not get there in time to see you all before the game.

Among the pleasant anticipations of the trip down there, stands out prominently, the pleasure of seeing you again. I am most sincere, Dr. Allen, when I tell you that the contacts I have had with you since you have had Bruce, have been the source of real pleasure and satisfaction to me. You have not only helped Bruce over the tough spots but you have buoyed me along as well.

With very kind regards and best wishes, I am

Sincerely yours,
