

September 30, 1938.

Mr. J. W. St. Clair,
Southwest Athletic Conference,
Southern Methodist University,
Dallas, Texas.

Dear J. W.:

Thank you for your kind letter of the 28th instant. It was out notion to come back to Lawrence in easy stages after playing S.M.U., stopping off on the way. I doubt that we would care to play T.C.U. a regular game for a smaller fee than we are playing any other games down there, but we would like to stop off and work out a day or two there, as we will disband for the Christmas vacation on the way back.

I would appreciate it if you would ask Mr. Howard Grubbs if this would be satisfactory. By the way, is their building any better heated than yours? I remember your telling me that your place was not a good place to practice in on account of inadequate heating facilities, and that was why I had the idea of moving on to Fort Worth.

Then I thought we might stop at Oklahoma City for a day, and then move on into Kansas .

Now, in regard to the Commissioner's job in the Big Six. I talked to our Professor W. W. Davis, our faculty representative from Kansas, and he is now over at Columbia, Missouri, meeting with the other faculty representatives. They are seriously considering a commissioner in the very near future. Why do you not write to some of the faculty representatives at the different institutions in the Big Six and present your name and credentials? The following men represent the different institutions:

Prof. W. W. Davis, University of Kansas, Lawrence
Prof. H. D. Bergman, Iowa State College, Ames
Prof. H. H. King, Kansas State College, Manhattan
Prof. S. B. Shirky, University of Missouri, Columbia
Prof. T. J. Thompson, University of Nebraska, Lincoln
Prof. E. D. Meacham, University of Oklahoma, Norman.

If I can help you at any time it will be a pleasure. I hear by the grapevine that they are considering such men as Grover, of Kansas City, who has had a heart attack, Reaves Peters, of North-
