Dear Jack:

We are going to Stillwater, and want to get off at Enid to board a special bus which you will arrange to take us to Stillwater on Friday, December 9. I haven't yet finally determined the number on our squad, but it will be from 16 to 20. However, I will notify you definitely the first of next week.

We will also want to go to Dallas as you have outlined in your letter of November 22. On our return trip, we will want to leave Dallas on December 21 on the Rocket at 9:30 a.m. which gets into Oklahoma City at 3 p.m., but we want to get off at Norman, 18 miles south of Oklahoma City. We can catch some later train out of Norman for Oklahoma City that night after the game. After we get to Oklahoma City we can come in on the Rocket.

Very sincerely yours,
