Coach W. Harold Browne, University of Nebraska, Lincoln, Nebraska,

Dear Brownie:

For the first time in our life here at the University of Kansas we will have two sets of basket-ball parts. One will be red and the other white.

Heretofore we have always used different colored jerseys, but have always worn the white flammel pants.

I regretted last year that you were under the impression that we were trying to take advantage by wearing the same color trousers that your team wore. I am merely informing you to let you know that we do not have anything like this in mind.

Nebraska and Utah State are two different outfits, and the games were played under altogether different conditions.

Very cordially yours.

Mr. Theron S. Parmelee, General Manager, Student Activities, University of Utah, Salt Lake City, Utah.

Dear Mr. Parmelee:

We will not have all of our students back here on Jamary 3, but I am quite anxious to play the University of Utah here because we desire to make a western trip either next year of the year following.

Would it be acceptable to you to offer you \$150.00 for the game here with an option of fifty per cent of the gate receipts, the student tickets counted at 20% a piece in the total receipts? We would be willing to play you at Salt Lake City under the same arrangements when we make our trip west.

We are expecting to make two separate trips to the coast, one to Los Angelesa and the other to the northern end of the Pacific coast. If you do not feel that you could make the trip for this amount, I would be glad to have you inform us what you would be willing to sign a home-and-home agreement for with the reciprocal terms.

I am afraid your playing on the 4th here would not get you back to Chicago in time to allow you the rest that you might desire.

\$150.00 guarantee?

I would be very happy to have you wire me upon receipt of this letter, as I have already closed a game here with Washburn College for January 4th. However, I would endeavor to have them release me from this date if you could make arrangements to play here. It has been

such a long while since I wrote you on September 23 that I went ahead with the other arrangement, but I still would be very happy to make this new arrangement if you decide favorably on the guarantee and option.

Mr. Theren S. Parmelee, Gen. Mgr. Student Activities University of Utah Salt Lake City, Utah Dear Mr. Parmelee: I have just finished the final arrangements for the Big Six Conference basket ball schedule for next fall. I muld have written you sooner, but our conference rules provide that no outside games are to be scheduled before the conference games are set. You mention January 5 or 6 as possible dates for a geme here with you. Our conference schedule calls for a game at Lawrence with the University of Oklahoma for January 7. This is really the opening game after the Christmas Holidays and would not give us any time between games by scheduling you on the 5th or 6th. We might be able to arrange a game the 3rd or 4th, although this would come at vacation time and all of our students would be out of Lawrence for their Christmas vacation. If you will kindly send me your schedule of games up to date, perhans we can work in a game somewhere the early part of Jamary. With bost wishes, I am Sinceroly yours, Director. PCA: CS

Mr. Thoron 5. Parmoleo Gon'l Mer., Student Activities University of Utah Salt Lake City, Weak Dear Mr. Parmeleet In reply to your favor of the 30th ultimo I beg to state that our Christmas holidays begin on December 18th and close on January 3rd. The town of Lewrence is a small town and when our students are eway, of course, we naturally draw a very small gate. I do not see that we would be able to offer you much of a guarantee when the students are out of toma. And, again, it rather antegonizes the students for us to play genes during the vecation when they do not have an opportunity to see the games played. The Big Six Conference always schodules a same for each one of their members as soon as the schools open up in January. I presume that they will follow the same scheme of things. Our schodule is made at Lincoln, Mebraska on Friday, May 21st. After that time I can give you definite information when our first game will be played. There is a rule in our conference which prohibits our schoduling any game until the conference schedule is arranged. We might be able to play you on the night of January 3rd or the 4th 1f the conference does not arrange a date at that time. It might be better for you to suggest what you could play a same for in Lawrence. We would then be able to tell you whether we could meet your request for a ATTENTION . Mr. Forrest C. Allen University of Kansas Lawrence, Kansas

Dear Mr. Allen:

The University of Utah is contemplating a basketball trip in your section of the country during the Christmas holidays. We are very anxious to have athletic relations with your institution and feel that early practice will help both teams.

Last season our team finished in a tie for first in our division and we feel that we can give you excellent competition. In a trip to the Midwest last year, we won six of the seven games played. The fast-breaking type of ball played by our team was very well received by the fans.

I would appreciate hearing from you at your earliest convenience regarding the possibility of playing some time during the period from December 20 to January 6. If you could list your open dates, we would be able to fit in our schedule with other schools. I would appreciate it if you could give me some idea of the possible guarantee also.

Inasmuch as I am anxious to line up the remainder of our trip as soon as possible, I am enclosing a self-addressed, stamped envelope for your convenience.

Mr. Pat Mason, Athletic Director, Rockhurst College, Kansas City, Mo.

Dear Pat:

I wonder if you could let me hear from you on possible gngles of the basketball game. I am rather anxious to get something closed up.

You had tough luck with your game Saturday night. It is always a bad break when a fellow fails to kick goal. However, you have certainly made a fine record this year, so one close defeat won't hurt you much.

With kindest regards, I am

Sincerely yours,

FCASAH

Director of Physical Education,

Mr. Pat Mason, Athletic Director, Rockhurst College, Kansas City, Mo.

Dear Pat:

I talked to you regarding the game on January 2nd. That happens to be Sunday, so we will have to call that off, but we could play on January 3 if arrangements can be made for the hall.

We play Washburn College here January 4, and Oklahoma January 7. It would be much better to play on January 1, Saturday night, if the hell could be procured. I imagine there will be a big dance there and it will be much in use on New Year's Eve, but generally on the night of January 1 there isn't much doing. Why couldn't we arrange it for that night?

I have a letter on my desk from a coach of another college who is rather pressing me for the game, but I much prefer to arrange a game in Kansas City under these conditions, if it can properly be arranged.

We could either have two other colleges play there as a preliminary, or maybe Rockhurst High School and Wyandotte High School might play. We could get the following by such procedure. Or we could have the Phillips team and some other outfit play, but I believe the high schools, the like of which I mentioned, would be as well if we did not have to spend too much money.

Will you kindly let me know your reaction?

I saw you while you were officiating the Iowa State-Kansas game, but did not get down on the field to say "Hello". It was a nice game and everybody is quite happy here. I thought you officials handled the game in good style.

Very cordially yours,

Mr. A. B. Mackie, Athletic Director, Kansas Wesleyan University, Salina, Kansas.

Dear A. B.

Mr. Gwinn Henry called me this morning and asked if I would explain to you the basketball schedule that we have planned at the present time, with a view toward a possible date with you at Salina.

I assure you it would be a pleasure for us to play you this year if we can find the date. We have tentative arrangements with two teams concerning a single game. We have 19 games scheduled and we are permitted 20. In case we do not close very definitely with either one of these teams I will be happy to endeavor to find a date to play at your place.

I am sending you a copy of our schedule. As soon as the other date is accepted or rejected, I will pass this information on to Director Henry, who will communicate with you.
