Coach W. Harold Browne,
University of Nebraska,
Lincoln, Nebraska.

Dear Brownie:

For the first time in our life here at the University of Kansas we will have two sets of basketball pants. One will be red and the other white.

Heretofore we have always used different colored jerseys, but have always worn the white flannel pants.

I regretted last year that you were under the impression that we were trying to take advantage by wearing the same color trousers that your team wore. I am merely informing you to let you know that we do not have anything like this in mind.

Nebraska and Utah State are two different outfits, and the games were played under altogether different conditions.

Very cordially yours,
