Dear Reeves:

I have written to W. Harold Browne, of Nebraska, asking him to accept you as one of our officials in the Nebraska game here on February 2nd.

If at any time I can use you in any of our games, I assure you it will be a pleasure to do so.

Dee Errickson has written me saying that he has asked you to work our K.U.-Washburn game on December 16.

I will be happy to see you on the 4th of December.

Sincerely yours,
