Dear fellow coaches:

I am enclosing the 1937-1938 basketball schedule for all Big Six schools together with the officials assigned to these games. I have received a letter accepting these assignments from all the officials with the exceptions of the dates marked on your schedule. I thought it best to write you at an early date in order that you might check the dates of your games and the officials assigned. Will you please write the officials concerned in regard to the dates marked "no reply".

I am also enclosing a list of the basketball officials, their addresses, and the total number of games assigned in our conference this season. I hope you find this record correct.

Sincerely yours,

W. H. Browne  
Basketball Coach
