Mr. Forrest C. Allen
University of Kansas
Lawrence, Kansas

Dear Mr. Allen:

The University of Utah is contemplating a basketball trip in your section of the country during the Christmas holidays. We are very anxious to have athletic relations with your institution and feel that early practice will help both teams.

Last season our team finished in a tie for first in our division and we feel that we can give you excellent competition. In a trip to the Midwest last year, we won six of the seven games played. The fast-breaking type of ball played by our team was very well received by the fans.

I would appreciate hearing from you at your earliest convenience regarding the possibility of playing some time during the period from December 20 to January 6. If you could list your open dates, we would be able to fit in our schedule with other schools. I would appreciate it if you could give me some idea of the possible guarantee also.

Inasmuch as I am anxious to line up the remainder of our trip as soon as possible, I am enclosing a self-addressed, stamped envelope for your convenience.

Sincerely yours,

Merion S. Parmelee
