

October 25, 1937.

Mr. Pat Mason,
Athletic Director,
Rockhurst College,
Kansas City, Mo.

Dear Pat:

I wonder if you could let me hear from you on possible angles of the basketball game. I am rather anxious to get something closed up.

You had tough luck with your game Saturday night. It is always a bad break when a fellow fails to kick goal. However, you have certainly made a fine record this year, so one close defeat won't hurt you much.

With kindest regards, I am

Sincerely yours,

FCA:AH

Director of Physical Education.
