Mr. Pat Mason,
Athletic Director,
Rockhurst College,
Kansas City, Mo.

Dear Pat:

I talked to you regarding the game on January 2nd. That happens to be Sunday, so we will have to call that off, but we could play on January 3 if arrangements can be made for the hall.

We play Washburn College here January 4, and Oklahoma January 7. It would be much better to play on January 1, Saturday night, if the hall could be procured. I imagine there will be a big dance there and it will be much in use on New Year's Eve, but generally on the night of January 1 there isn't much doing. Why couldn't we arrange it for that night?

I have a letter on my desk from a coach of another college who is rather pressing me for the game, but I much prefer to arrange a game in Kansas City under these conditions, if it can properly be arranged.

We could either have two other colleges play there as a preliminary, or maybe Rockhurst High School and Wyandotte High School might play. We could get the following by such procedure. Or we could have the Phillips team and some other outfit play, but I believe the high schools, the like of which I mentioned, would be as well if we did not have to spend too much money.

Will you kindly let me know your reaction?

I saw you while you were officiating the Iowa State-Kansas game, but did not get down on the field to say "Hello". It was a nice game and everybody is quite happy here. I thought you officials handled the game in good style.

Very cordially yours,

FCA:AH

Director of Physical Education.
