Dear Friends:

The game between the Ever-Victorious team and the All-Star Freshmen is definitely set for the 7th of January. The curtain-raiser will be the game between Oklahoma and Kansas at 7:30, and the main attraction will start 20 minutes after the curtain-raiser is over.

We are counting on you boys, so plan to be here, because they tell me the fresh are going to be tough.

Sincerely yours,

Director of Physical Education.
