Won't you write me and let me know when would be the most convenient time that you out-of-towners could come to town? Pick your game and we will put it on the calendar. You may want the Missouri, Nebraska, or Oklahoma game. If you do, that is swell.

You will understand, of course, that you have an invitation to each and every one of our games this year. We want you here to see our boys perform.

But the mainest motive in writing you at this time is to get you here altogether.

I trust that the world is kind to you and will continue to be so.

With every good wish, I am

Sincerely yours,

FCA:AH

Director of Physical Education.
