Mr. Dee Errickson,
Washburn College,
Topeka, Kansas.

Dear Dee:

Answering your favor of the 27th instant I assure you that it is perfectly all right to keep the game December 16 at Topeka. I understand your difficulty.

I was informed the other day that John Wulf was leaving Kansas City for Chicago. I will write him, however, and find out the date he expects to leave, and if he can work for us I will be very happy to have him.

I would choose Ted O'Sullivan or Reeves Peters from the list you submit. I will let you hear definitely as soon as I have word from them.

Very sincerely yours,
