Mr. Dee Errickson,
Washburn College,
Topeka, Kansas.

Dear Dee:

I find from Ernie Quigley that he cannot work the 16th at Washburn and that Ab Hinshaw is leaving these parts for Chicago.

I am wondering if the 8th or 9th of December at Topeka would suit you. In your letter of August 2 you stated that you could play at Lawrence on December 7 or 8. I wonder if you could play at Topeka on the 8th or 9th.

We are playing Ottawa at Lawrence on the 7th, and if we could play you on the 8th or 9th at Topeka we could then arrange to have Quig work the game.

By the way, Dee, why not use Ernie Quigley's son, Heinie, with him at both places. The father, you know, generally dominates whoever works a game with him anyhow, and by using the father and son they would work both the A and B games for the price of one. Why not be Scotch and try this out? Will you let me hear from you at your earliest convenience?

Sincerely yours,
