Mr. Dee Errickson,  
Washburn College,  
Topeka, Kansas.

Dear Dee:

You know, Dee, I would feel a lot better if you would suggest in the order of preference the basketball officials that you would like to use in the Washburn-Kansas games.

The reason that I am saying this, Dee, is that last year I made some suggestions and I rather had a notion that you would have been more comfortable if you had been free to make your own selection.

Why would it not be a good thing to use the same officials at both places, on Dec. 16 at Topeka, and on Jan. 4 at Lawrence?

I assure you that any list you submit will be kept entirely confidential. Personally, you know that I like Quig. I am wondering if we need two officials for these games. If you think it best, I will be glad to acquiesce. I agree with you that the individuals should officiate both the "A" and "B" games.

Very cordially yours,
