Mr. Dee Errickson,  
Basketball Coach,  
Washburn College,  
Topeka, Kansas.

Dear Dee:

I wonder if it would be possible for you to play us at Topeka on the night of December 21, instead of December 16.

Morningside College, of Sioux City, Iowa, wants to come here on December 16 for a game, and since Lawrence and Topeka are so close I thought we could easily make whatever shifts are necessary.

We would like to play you at Lawrence January 4. Will you kindly let me know if December 21 at Topeka would be satisfactory?

What do you think of the idea of playing both "A" and "B" games each night we play. We could have the varsity game first, then have the freshmen or "B" teams play a second game. Let me know your reaction to this suggestion.

With all good wishes, I am

Sincerely yours,

AH

Director of Physical Education.
