Mr. Don Cooper,  
Director of Athletics,  
Southwestern College,  
Winfield, Kansas.

Dear Don:

We are very happy to use E. C. Quigley for both of our games at Winfield and at Lawrence. This is, of course, contingent upon his being able to work, which I am very sure he will be.

Don, why couldn't we play an "A" and a "B" game at each place? I believe if we handle it properly we could get Quig to work both games for the same price. It would only be necessary for us to carry a few extra men, and those that we did not use in the first game we could use in the other one. Of course, our main game, I think, should come first, and then the "B" game could follow.

You know I think it is not a good thing to call them the "second" team. The "B" team takes the curse of "second" team, and what all of these boys really want to do is play the game.

I will be glad to hear from you regarding your reaction on that. With Washburn, Kansas State and Ottawa we are playing their "B" teams in all of the home and home games.

Ab Hinshaw has never worked for me, but I see him recommended in a great many games, and am wondering what you think of him. I will be happy to have your reaction.

Very cordially yours,

FCA:AH

Director of Physical Education.
