Mr. Ted O'Sullivan,
714 Fairfax Building,
Kansas City, Mo.

Dear Ted:

I am sorry to disappoint you in our game with Ottawa. Many of our high school coaches whose players come to our University desire to officiate games. I have never had an opportunity to use Edd A. Wood of the Lawrence Memorial High School. He called me up yesterday morning and wanted to officiate. I told him that I had not heard from you, but that so far as I was concerned it would be quite agreeable.

However, I was under the impression that I had written you quite some time ago, but now I find that having written you only on the 9th it would not have been possible for you to answer my letter. But I did promise him the game. My letter to you was merely an inquiry to see if you were open.

Since these boys get few opportunities to work games, I am going to pass you up in this instance, and use Edd Wood and Carmody. However, I do want you to work some of our games, as I like your officiating very much. This is a promise, and it is also an apology for not using you for the Ottawa game.

With every good wish, I am

Sincerely yours,

FCA:AH

Director of Physical Education.
