Baldwin, Kansas.

Dear Emil:

I acknowledge receipt of your good letter this morning. I have made tentative arrangements here at the University to hold the date of December 13 open for the auditorium so that we will have no confusion if we go through with the game. It is necessary for us to ask permission of the Chancellor's Office to use the auditorium before we can finally close the arrangements. We have that permission, but I have not heard from the other people regarding the tentative game that we discussed before I wrote you.

I am hoping in the next few days this can be worked out, and if possible we will arrange with you to play here on the 13th.

That will give us three nights hand-running - the 13th with you, the 14th with Southwestern, the 15th with Morningside, all in Lawrence; and the 16th with Washburn at Topeka. If this was Olympic year I would enter these boys in the marathon.

Very cordially yours,

FCA:AH
