Dear Don:

We will send your contract in a few days for our games with Southwestern here on December 14 and at your place on December 23. All games start at 7:30 p.m.

I failed to congratulate you on your first conference victory over Baker. I am sure you were very happy. You have been doing mighty well. I notice Wichita, of course, was too tough for you, but stay in there, boy, you're doing fine.

With kindest regards, I am

Sincerely yours,
