November 19, 1937.

Mr. A. Eugene Haylett, Department of Athletics, Doane College, Crete, Nebraska.

Dear Gene:

I, of course, am sorry that you will not be at the Kansas City meeting. We will miss you.

I hope to get down to Manhattan to see your ball game if I get away from the meeting in time.

We are using the Lowe and Campbell No. B220 official basketball. Personally, I do not like the new ball, as the ball thrown at a distance does floaters, sinkers, and other didoes. I am not expecting to use it in any of our games this year.

I have a letter from H. V. Porter, secretary of the National Basketball Committee of the United States and Canada. He tells me that the Cord-Bilt ball, another type of ball, is much superior to the Lastbilt. There are a lot of things wrong with the molded ball at the present time, in my opinion.

I think that should be open for discussion during our rules meeting in Kansas. City. In fact, I think I will make that one of the items for discussion after the rules meeting is over.

Very cordially yours,

Director of Physical Education.

Lawrence, Kansas

Dear "Phog":-
I find it impossible for me to go to Kansas
City but wish to thank you just the same for the information
which you have given me concerning the meeting. I have
notified Frank to the effect that I will meet him in Manhatten after his return from Kansas City.

Would you kindly advise me by return mail as to the type of ball you expect to use for our game? They are undecided in this area as to what will be used. Personally, I like the new ball very much but feel that we should all accept or reject it, inasmuch as there is considerable difference between the two types.

With best personal regards, I remain,

Very truly yours,

A. Engene Høglett

Mr. A. Eugene Haylett, Director of Athletics, Doane College, Crete, Nebraska,

Dear Gene:

I am sorry that you will not be able to be at the rules interpretation meeting in Kansas City on December 4th.

Why wouldn't it be possible for you to attend and come back with Frank Root? I am hoping also to see your game at Manhattan, and perhaps we could all ride back together in ample time so that you could be with your team early enough before the game.

By the way, we have engaged E. C. Quigley and his son, Heinie, to work our game on December 6th. I trust this is agreeable to you. I presume Quigley will work your game at Manhattan, also. If this is not agreeable, please let me know so that we can make other arrangements, and in case you do desire other officials, please nominate them. We will be glad to get them.

Very cordially yours,

PCA: AH

Dear "Phog",

Thanks for your letter of November 6th announcing the Rules Interpretation meeting in Kansas City on December 4th.

It will be impossible for me to be there in as much as that is the night we are playing Kansas State at Manhattan. I certainly would plan to attend if this conflict did not make it impossible.

With best personal regards, I remain

Very truly yours,

A. Eugene Haylett,

This completes my pre-holiday schedule, and I am looking forward with special interest to these two games. With best personal regards, I remain Very truly yours, Director of Athletics AEH: PB

Carmody Albool

UNIVERSITY OF KANSAS

LAWRENCE

DIVISION OF PHYSICAL EDUCATION AND
INTERCOLLEGIATE ATHLETICS

November 1, 1937.

Chairman, Senate Advisory Committee, University of Kansas.

The University of Kansas Physical Education Corporation, otherwise known as the Athletic Board of the University, is a non-profit sharing corporation of fourteen members, eight of whom are faculty members which control the finances and direct the intercollegiate policy of the University of Kansas.

The eight faculty members of the University of Kansas Physical Education Corporation (Athletic Board) are:

W. W. Davis, Chairman

R. C. Moore

Coach Richard Godlove, Ottawa University, Ottawa, Kansas,

Dear Dick:

This morning Edd Wood notified us that he will be unable to work our game at Ottawa on December 10. He and Carmody will, of course, work the game here on the 7th.

I have never seen Carmody work a game, but I think we ought to get some experienced fellow. I thought Wood and Carmody together might be all right. What would you advise in regard to another official at Ottawa?

I don't know what the Kansas Conference fee is, but Carmody has agreed to work for \$10.00, and we might get another fellow that would work for the same price. If we get a high school official I think he should be a pretty good official. I don't expect a big shot, but we should have a highly efficient young man because in games like that if the officials are not good the ball games get away from the people.

This is just another story of young coaches desiring to work, then after you agree upon them they find that their own games interfere.

Will you please let me know your suggestions?

Sincerely yours,

Coach Edd A. Wood.

Lawrence Memorial High School.

Lawrence, Kansas.

Dear Edd:

This will confirm your message this morning. We are counting on you and Coach Carmody to work our game with Ottawa here on December 7th.

I am sorry you are not available on December 10 to go to Ottawa. We shall, of course, make other arrange-

Officials for the Washburn game here on January 4th have been agreed upon for some time. We are using E. C. Quigley and his son, Heinie.

Very sincerely yours,

Director of Physical Education.

ee to Coach Carmody.

Coach Richard Godlove, Ottawa University, Ottawa, Mansas.

Dear Dick:

I have your letter of the 21st instant, and note what you say about Floyd Smith, of Iola. I do not know him, and of course do not familiar with his officiating. I do not feel, however, that we should have two high school officials for our game as there is a great difference between a high school game and a college game.

How about Ted & Sullivan, or some of the other boys out of Kansas City? I shall be glad to hear from you again regarding an official to work with Carmody at our game on December 10 at Ottawa.

We shall be very glad to bring along our "B" team to play with your "B" team after the main game.

As our schedule now stands, we play a "B" game here at Laurence on December 7 and also at Ottawn on December 10, following the main game at each place.

Sincorely yours.

November 9, 1937.

Mr. Michard Godlove, Ottawa, Manaas.

Dear Dicks

Conforming with your desires not to use Messrs. Quigley and Quigley, I have informed E. C. that it would be necessary to get some one else to officiate here for the 7th.

It is quite agreeable with me. Dick, to cut down on expenses and use one man at both places. I will write Ted O'Sullivan and see if he can work the game here the 7th. You might check up with him for the 10th.

The dates are all set as we previously agreed upon, the 7th and 10th, only that on the 7th we are to play the A and B games here, are we not, but at Ottawa I understand that you have the Jumior College of Kansas City, Kansas, for your attraction.

Sincerely yours,

PCA:AH

OTTAWA UNIVERSITY

OTTAWA, KANSAS

Nov. 1, 1937

Mr. Forrest C. Allen Kansas University Lawrence, Kansas

Dear Dr. Allen:-

In answer to your letter about officials for our games on December 7th and 10th, may I suggest that we cannot approve Ernie Quigley or his son for either of our games. Regardless of Mr. Quigley's reputation as a "Grand Old Man" of officiating, our people will simply not "take" him and after trying him last year I have decided it is unwise to antagonize them.

I would suggest that if you have already talked with Mr. Quigley about December 7th, you advise him to take another assignment with some other school for that night.

As to a change of the December 10th date to the 9th or 8th, that would not be wise, since our fans turn our only for Friday night games. Then too, we play our games in the High School Gymnasium and they greatly prefer us not to change our Schedule.

I had wondered if we could not get Parke Carroll or Ted O'Sullivan or both for one or both of our games. I believe you have used both of those men in your Big Six games.

In our conference games we have used only one official, but we would use two always if more good men were available and if our gate receipts justified the practice. In the game with Kansas we would be willing to secure two men if you wish. Are there any Topeka men whom you would consider good officials? And what Kansas City men do you use? We have used Ab. Henshaw and Claude Cochran, but of course, Ab will not be available this winter and I do not know whether or not you wish to use Cochran. I think John Wolf has slowed up to the "impossible" stage recently and would not care to consider him.

Will you make some suggestions for both games, so we can get them mutually approved and assigned in the next few days? Frankly there are not many good available officials in these parts, I'm afraid.

Sincerely,

Mr. Dick Godlove, Ottawa University, Ottawa, Kansas.

Dear Dick:

Ernie Quigley called today and said that it would not be possible for him to work a game on December 10 at Ottawa.

I have written to Dee Errickson suggesting the 8th or 9th for us to play Washburn at Topeka. If we could play you either the 8th or 9th at Ottawa instead of the 10th we could obtain Quigley's services. Of course, I would have to wait to see whether Dee Errickson takes the 8th or 9th, but if Dee would take the 8th at Washburn we could play you the 9th at Ottawa. Would this be agreeable to you?

Quigley also said if he and Heinie worked the game that they would work both the A and B games for one fee. I would like to use them if you have no objection. Would it be agreeable for them to work at Ottawa should you select one of the dates I mentioned? Of course, if you have an aversion to changing from the 10th we will go through on the 10th, and whom would you want for officials down there?

Sincerely yours,

FCASAH

Mr. Richard Godlove, Athletic Director, Ottawa University, Ottawa, Kansas.

Dear Dick:

Thanks for your good letter of the 11th instant. I am sorry that we cannot play our reserves against you at Ottawa, but we will count on your playing our group here on the 7th of January, and doubtless we can arrange to play you sometime during the early part of the winter. This will be with our "B" team.

Dick, I have been so busy trying to promote and develop this new school of physical education that I am having the time of my life. I drove up to see the Minnesota-Nebraska game two Saturdays ago, and last Saturday I played golf all afternoon and enjoyed it immensely.

There are so many good things in life that it is foolish to spend your time worrying about petty details.

However, I do want you to know that it was swell of you to write me, and a man does get a kick out of an expression of his friends.

Sincerely yours,

FCA: AH

July 21st Mr. Richard Godlove. Director of Athletics. Ottame University. Ottome, Emmes. Donr Diok: I noticed in the paper a short time back where you had given the date of December 7th for a basketball game with the University of Kansas at Lawrence and a roturn game at Ottawa but that the date had not been definitely set I though we had definitely decided on December 10th and I am wondering if I am correct in that. I am filling out my schedule for next fall and would not want to get mixed up on my other dates. Would you kindly advise me at your earliest convenience whether or not this will be the date for the game at Ottawa. Sincerely yours. Director of Physical Education. FGA:III

Hr. Richard H. Godlove Director-or Athletics Ottama University Ottana, Kansas Dear Diek: Thank-you very kindly for your letter of June lett. I was glad to know that you will be willing to play us in a couple of early season games in basicat ball. To have a game scheduled here for December 5th with Donne College of Crete, Mebraska. The coach up there is a brother of Ward Haylett, track coach at Kanses State College, and they are making a trip through here early in Lecenber. Donovor, this will not interfore with our game on the 7th as we will have the auditorium propared and ne will be glad to meet you here on that date. The loth will be satisfactory for the return game at Ottawa. It does not make a great deal of difference about the guarantee as it will be a reciprocal agreement, but I would suggest that we make it \$30 or \$40 which will cover the expenses of the trip. Ilbhink it is better to have a definite guarantee than to have us take ours of our expanses without a guarantee. I an putting you down for those datos. Thank you very much. With best wishes for the summer, I am Sincorely yours. Director. PGA:II
