Dear Gene:

I am sorry that you will not be able to be at the rules interpretation meeting in Kansas City on December 4th.

Why wouldn't it be possible for you to attend and come back with Frank Root? I am hoping also to see your game at Manhattan, and perhaps we could all ride back together in ample time so that you could be with your team early enough before the game.

By the way, we have engaged E. C. Quigley and his son, Heinie, to work our game on December 6th. I trust this is agreeable to you. I presume Quigley will work your game at Manhattan, also. If this is not agreeable, please let me know so that we can make other arrangements, and in case you do desire other officials, please nominate them. We will be glad to get them.

Very cordially yours,

FCA:AH

Director of Physical Education.
