Coach Edd A. Wood,  
Lawrence Memorial High School,  
Lawrence, Kansas.

Dear Edd:

This will confirm your message this morning. We are counting on you and Coach Carmody to work our game with Ottawa here on December 7th.

I am sorry you are not available on December 10 to go to Ottawa. We shall, of course, make other arrangements.

Officials for the Washburn game here on January 4th have been agreed upon for some time. We are using E. C. Quigley and his son, Heinie.

Very sincerely yours,

Director of Physical Education.
