Mr. Richard Godlove,  
Athletic Director,  
Ottawa University,  
Ottawa, Kansas.

Dear Dick:

Thanks for your good letter of the 11th instant. I am sorry that we cannot play our reserves against you at Ottawa, but we will count on your playing our group here on the 7th of January, and doubtless we can arrange to play you sometime during the early part of the winter. This will be with our "B" team.

Dick, I have been so busy trying to promote and develop this new school of physical education that I am having the time of my life. I drove up to see the Minnesota-Nebraska game two Saturdays ago, and last Saturday I played golf all afternoon and enjoyed it immensely.

There are so many good things in life that it is foolish to spend your time worrying about petty details.

However, I do want you to know that it was swell of you to write me, and a man does get a kick out of an expression of his friends.

Sincerely yours,

FCA:AH

Director of Physical Education.
